

## Clover Health Appoints Industry Veteran as Chief Medical Officer of Medicare Advantage

April 7, 2025

### Dr. Shelly Gupta Brings Over a Decade of Medicare Advantage and Healthcare Leadership Experience

WILMINGTON, Del., April 07, 2025 (GLOBE NEWSWIRE) -- Clover Health Investments, Corp. (Nasdaq: CLOV) ("Clover," "Clover Health" or the "Company"), today announced the appointment of Dr. Shelly Gupta as Chief Medical Officer ("CMO"). Dr. Gupta will oversee Clover's innovative clinical operations, quality initiatives, pharmacy operations, and precision-based chronic disease management programs, directly focusing on patient choice, provider autonomy, and delivering transparent, value-driven healthcare.

Dr. Gupta brings extensive healthcare experience to Clover as a trained family practice physician with over a decade of experience in Medicare Advantage leadership and a proven record of enhancing clinical outcomes for senior populations. Prior to joining Clover Health, Dr. Gupta held various CMO leadership roles at Humana where he successfully led regional MA plans and the launch of the Humana Healthy Horizons Medicaid plan. His achievements include measurable reductions in hospitalizations and emergency visits, enhancing care coordination across healthcare settings, and playing an integral role in improving health outcomes for members with chronic disease complications. Dr. Gupta's extensive background has enabled him to drive impactful results, and his experience in improving quality and patient access will be vital in advancing Clover Health's Medicare Advantage operations.

"I'm thrilled to join Clover Health, which stands apart in Medicare Advantage through its commitment to physician independence and its innovative use of clinical data to empower personalized care decisions with Clover Assistant," said Dr. Gupta. "Now more than ever, it's critical to reduce bureaucratic barriers and enhance patient-provider relationships. Clover's dedication to utilizing innovative Clover Assistant technology to enhance care delivery perfectly aligns with these goals, and deeply resonates with my own values. I look forward to working with the team to continually demonstrate how open networks and precise clinical insights directly benefit seniors, physicians, and the overall healthcare system."

In his new role at Clover Health, Dr. Gupta will focus on leveraging advanced data-driven solutions and innovative technology to optimize Clover's Medicare Advantage clinical operations. He will work closely with physicians, health systems, and internal teams to improve care delivery, increase member satisfaction, and further the Company's value-based care initiatives. Dr. Gupta will also be instrumental in advancing Clover's patient-access initiatives and fostering collaboration with healthcare providers to ensure all Medicare beneficiaries have access to the care they need.

"Dr. Gupta's exceptional expertise in operationalizing clinical innovation makes him an ideal addition to the Clover Health leadership team," said Jamie Reynoso, CEO of Medicare Advantage, Clover Health. "His alignment with our core mission – using cutting-edge technology to simplify healthcare decisions and empower providers – is precisely what differentiates Clover in the market. Dr. Gupta's passion for improving health outcomes and commitment to innovation will be key to Clover Health's vision of a healthier future for seniors nationwide."

#### About Clover Health:

Clover Health (Nasdaq: CLOV) is a physician enablement technology company committed to bringing access to great healthcare to everyone on Medicare. This includes a focus on seniors who have historically lacked access to affordable, high-quality healthcare. Our strategy is powered by our software platform, Clover Assistant, which is designed to aggregate patient data from across the healthcare ecosystem to support clinical decision-making and improve health outcomes through the early identification and management of chronic disease. For our members, we provide PPO and HMO Medicare Advantage plans in several states, with a differentiated focus on our flagship wide-network, high-choice PPO plans. For healthcare providers outside Clover Health's Medicare Advantage plan, we extend the benefits of our data-driven technology platform to a wider audience via our subsidiary, Counterpart Health, and aim to enable enhanced patient outcomes and reduced healthcare costs on a nationwide scale. Clover Health has published data demonstrating the technology's impact on [Medication Adherence](#), as well as the earlier identification and management of [Diabetes](#) and [Chronic Kidney Disease](#).
