About Clover Health

Clover Health (Nasdaq: CLOV) is a healthcare technology company with a deeply rooted mission of improving every life. Clover uses its proprietary technology platform to collect, structure, and analyze health and behavioral data to improve medical outcomes and lower costs for patients. As a company whose business goals fully align with its members' health needs, Clover works with members and their doctors to become a valued partner. This trust is built by proactively identifying at-risk individuals and teaming up with physicians to accelerate care coordination and simultaneously improve health outcomes and reduce avoidable costs. Clover has offices in San Francisco, Jersey City, Nashville and Hong Kong.
