### **About Clover Health:**

Clover Health (Nasdaq: CLOV) is a physician enablement company focused on seniors who have historically lacked access to affordable, high-quality healthcare. Our strategy is underpinned by our proprietary software platform, the Clover Assistant, which is designed to aggregate patient data from across the health ecosystem to support clinical decision-making and improve health outcomes. We operate two distinct lines of business: affordable Medicare Advantage plans with extensive benefits; and the infrastructure for physicians to participate in value-based care through CMS' Global and Professional Direct Contracting Model. Clover's corporate headquarters are in Franklin, Tenn.
