STIPULATION AND AGREEMENT OF SETTLEMENT

This Stipulation and Agreement of Settlement, dated February 2, 2024 (“Stipulation” or “Settlement”), is made and entered into by the following parties, by and through their respective counsel: Yuechuan Sun (“Sun”) and Manteg Luthra (“Luthra”), plaintiffs in the above-captioned stockholder derivative actions (collectively, the “Tennessee Action”) pending before this Court (the “Court”); Michael Fuhrman (“Fuhrman”) and Eric Wiegand (“Wiegand”), plaintiffs in the stockholder derivative action captioned, *In re Clover Health Investments, Corp. Derivative Litigation*, Lead Case No. 1:21-cv-00191 (the “Delaware Federal Action”), pending in the U.S. District Court for the District of Delaware (the “Delaware Federal Court”); Sreecharan Sankaranarayanan (“Sankaranarayanan”) and Zalmon Uvaydov (“Uvaydov”), plaintiffs in the stockholder derivative action captioned, *In re Clover Health Investments, Corp. Stockholder Derivative Litigation*, Index No. 655420/2021 (the “New York Action”) pending in the Supreme Court of the State of New York, County of New York (the “New York Court”); Roland Davies (“Davies”), plaintiff in the stockholder derivative action captioned, *Davies v. Garipalli, et al.*, C.A. No. 2021-1016-SG (the “Delaware Chancery Action”), pending in the Delaware Court of Chancery (“Chancery Court”) (Sun, Luthra, Fuhrman, Wiegand, Sankaranarayanan, Uvaydov, and Davies are referred to as “Plaintiffs,” and the Tennessee Action, Delaware Federal Action, New York Action, and the Delaware Chancery Action are referred to as the “Actions”); individual defendants Vivek Garipalli (“Garipalli”), Andrew Toy (“Toy”), Chelsea Clinton (“Clinton”),

Nathaniel S. Turner (“Turner”), Lee A. Shapiro (“Shapiro”), Joseph Wagner (“Wagner”), Chamath Palihapitiya (“Palihapitiya”), Ian Osborne (“Osborne”), Jacqueline D. Reses (“Reses”), James Ryans (“Ryans”), and Steven Trieu (“Trieu”) (collectively the “Individual Defendants”); and nominal defendant Clover Health Investments, Corp. (“Clover” or the Company,” and together with the Individual Defendants, “Defendants”) (Plaintiffs and Defendants are referred to as the “Parties”).

This Stipulation is intended to fully, finally, and forever resolve, discharge, and settle the Actions and any and all Released Claims (as defined in paragraph 1.22 below) upon Court approval, subject to the terms and conditions hereof.

I. FACTUAL AND PROCEDURAL BACKGROUND

The Actions assert claims for breach of fiduciary duty and related causes of action in connection with the merger of special purpose acquisition company (“SPAC”) Social Capital Hedosophia Holdings Corp. III (“SCH”) with Clover’s predecessor, Clover Investments Corp. (“Legacy Clover”), and related post-merger conduct. Plaintiffs contend that, motivated by the prospect of unlocking gains of more than \$320 million on “Founder Shares,” the Individual Defendants induced shareholders to approve a de-SPAC merger with Legacy Clover through a series of misrepresentations about the nature, value, and regulatory risks of Legacy Clover’s business model. Plaintiffs contend similar misrepresentations continued to be published following the merger.

Specifically, Plaintiffs allege that the Individual Defendants made, approved, or endorsed verbal and written statements touting the desirability and effectiveness of Legacy Clover’s “Clover Assistant” software in an effort to differentiate the Company’s value proposition in the Medicare Advantage insurance market, where competition from entrenched rivals with far greater market

reach and resources left Clover with poor growth prospects. Plaintiffs allege that, contrary to statements regarding Clover Assistant's potential for disrupting the Medicare Advantage insurance market by allowing primary care physicians to deliver personalized data-driven insights at the point of care and simplifying Medicare reimbursement, Clover Assistant did not improve care or make the Medicare reimbursement process more efficient, but was actually designed to induce physicians to “upcode” patient risk assessments, illicitly triggering more and higher reimbursements. Plaintiffs contend that Clover Assistant adoption rates were overstated, and that the healthcare providers who did use Clover Assistant and solicited patients to switch to Clover’s insurance programs had received illicit payments and gifts distributed by “Clover Ambassadors,” prompting an inquiry by the U.S. Department of Justice (“DOJ”) into issues ranging from kickbacks and unlawful gifts, to illicit marketing practices, illicit risk upcoding, and undisclosed related party transactions with the New Jersey insurance brokerage responsible for a substantial portion of Clover’s sales.

Plaintiffs contend that the Individual Defendants breached their fiduciary duties by (i) causing and/or permitting improper payments to be made to healthcare providers and their staff in violation of federal anti-kickback laws and Medicare Communications and Marketing’s Guidelines; (ii) causing and/or permitting the development and utilization of Clover Assistant to defraud the federal government through unlawful upcoding and overbilling; (iii) engaging in and/or permitting deceptive marketing practices to mislead and induce seniors to purchase Company healthcare plans; (iv) engaging in, causing, and/or permitting undisclosed related party transactions with a field marketing organization responsible for a large majority of Clover’s sales (collectively, the “Deceptive Sales Misconduct”); and (v) issuing and/or causing the Company to issue false and misleading statements regarding (a) the Deceptive Sales Misconduct; (b) Clover

Assistant’s design and operation, adoption rates, and capabilities; (c) the existence and subject of the DOJ inquiry; (d) margin and sales growth attributed to Clover’s value proposition; (e) the materiality of related party transactions omitted from consolidated financial statements in violation of Generally Accepted Accounting Principles (“GAAP”); and (f) the lack of adequate internal controls and oversight over disclosures, financial reporting, and regulatory compliance.¹ The Defendants deny any and all wrongdoing, and do not concede the truth of any of Plaintiffs’ allegations or the validity of any of Plaintiffs’ claims.

A. The Tennessee Action

On April 19, 2021, plaintiff Sun filed a Verified Shareholder Derivative Complaint asserting claims for breaches of fiduciary duty, aiding and abetting breaches of fiduciary duty, unjust enrichment, abuse of control, gross mismanagement, and waste of corporate assets under Delaware law, for violations of Section 14(a) of the Securities Exchange Act of 1934 (the “Exchange Act”), and for contribution under Sections 10(b) and 21D of the Exchange Act and Section 11(f) of the Securities Act of 1933, captioned *Sun v. Garipalli, et al.*, No. 3:21-cv-00311 (M.D. Tenn.) (“*Sun Action*”).

On April 21, 2021, plaintiff Luthra filed a Shareholder Derivative Complaint predicated on similar allegations, captioned *Luthra v. Garipalli, et al.*, No. 3:21-cv-00320 (M.D. Tenn.) (“*Luthra Action*”).

On May 7, 2021, the parties filed a stipulation and proposed order to consolidate the *Sun Action* and *Luthra Action* and to appoint The Brown Law Firm, P.C. (the “Brown Firm”) and The

¹ A series of related securities class actions predicated on similar allegations were commenced in this Court and later consolidated under the caption, *Bond, et al. v. Clover Health Investments, Corp., et al.*, No. 3:21-cv-00096 (M.D. Tenn.) (the “Securities Action”). As of the date of this Stipulation, the proposed settlement of the Securities Action remains pending a final approval hearing scheduled for October 2, 2023. (Securities Class Action, ECF No. 132).

Rosen Law Firm, P.A. (the “Rosen Firm”) as co-lead counsel for the Tennessee Plaintiffs (ECF No. 11), which the Court entered on May 10, 2021 (ECF No. 13).

On July 2, 2021, the Court entered a stipulated order staying the Tennessee Action pending a final decision on the defendants’ motion to dismiss in the Securities Action (ECF No. 22). The order required the Company to produce to the Tennessee Plaintiffs any documents produced in response to another shareholder’s related “‘books and records’ demand pursuant to Section 220 of the Delaware General Corporation Law, 8 Del. C. § 220” (“Section 220”) or any other documents produced “to a plaintiff in a substantially similar shareholder derivative action or to plaintiffs in the [Securities Action,]” subject to “the execution of a confidentiality agreement governing [] use and disclosure[.]” *Id.* On October 11, 2021, the parties to the Tennessee Action entered into a confidentiality agreement. Shortly after the confidentiality agreement was executed, the Company provided documents that had been produced in response to a Section 220 inspection demand, which the Tennessee Plaintiffs reviewed.

On November 30, 2021, the Tennessee Plaintiffs filed a Verified Consolidated Shareholder Derivative Complaint leveraging the Section 220 documents and allegations in the first amended complaint filed in the Securities Action (the “Amended Complaint”) (ECF Nos. 23, 25).

On June 10, 2022, the Company produced and the Tennessee Plaintiffs reviewed additional documents produced in response to a Section 220 inspection demand.

On March 24, 2023, following the denial of the motion to dismiss in the Securities Action, the Tennessee Plaintiffs informed the Court that the stay of the Tennessee Action had terminated, and asked the Court to set a deadline for Defendants to answer or otherwise respond to the Amended Complaint (ECF No. 27). On March 30, 2023, the parties submitted a stipulated proposed schedule, which the Court adopted on March 31, 2023 (ECF Nos. 28, 29). The order set

deadlines for briefing any motion to dismiss the Amended Complaint; provided for the production of all documents and written discovery produced, and transcripts of any depositions taken, in the Securities Action; and set January 31, 2024, as the deadline for service of all interrogatories and requests for the production of documents in the Tennessee Action. *Id.*

On April 4, 2023, the Company produced and the Tennessee Plaintiffs thereafter reviewed additional documents that had been produced in the Securities Action.

Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Amended Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (ECF Nos. 30-35).

B. The Delaware Federal Action

On February 10, 2021, plaintiff Fuhrman filed a shareholder derivative complaint in the Delaware Federal Court alleging claims for breach of fiduciary duty and waste of corporate assets under Delaware law, and for violations of sections 10(b) and 21D of the Exchange Act against certain of the Individual Defendants, captioned *Fuhrman v. Garipalli, et al.*, No. 1:21-cv-00191-LPS ("*Fuhrman* Action") (*Fuhrman* Action, ECF No. 1).

On June 10, 2021, the *Fuhrman* parties filed a stipulation and proposed order (i) staying *Fuhrman* pending a final decision on the motion to dismiss the Securities Action; (ii) appointing Gainey McKenna & Egleston ("GM&E") interim lead counsel for plaintiff Fuhrman; and (iii) requiring Defendants to produce to plaintiff Fuhrman any documents produced to any other shareholder in response to a related Section 220 demand and any other documents produced to shareholders in related derivative actions or in the Securities Action, subject to the execution of a

confidentiality agreement governing use and disclosure. (*Fuhrman* Action, ECF No. 4). The Delaware Federal Court entered the stipulated order the following day.

On July 21, 2021, plaintiff Wiegand filed a substantially similar shareholder derivative complaint in the Delaware Federal Court captioned, *Wiegand v. Garipalli, et al.*, No. 1:21-cv-01053-LPS (“*Wiegand* Action”).

On September 14, 2021, the Delaware Federal Action plaintiffs filed a stipulation and proposed order requesting, *inter alia*, that the Delaware Federal Court: (i) consolidate *Fuhrman* Action and *Wiegand* Action (forming the consolidated “Delaware Federal Action”); (ii) appoint GM&E and Levi & Korsinsky, LLP as co-lead counsel, and Bielli & Klauder, LLC as liaison counsel for the Delaware Federal Action plaintiffs; and (iii) stay the Delaware Federal Action (Delaware Federal Action, ECF No. 5). The Delaware Federal Court entered the requested order on September 16, 2021.

On October 7, 2021, the Delaware Federal Action plaintiffs and the Company entered into an agreement governing the confidential treatment and use of documents produced to other shareholders in related matters and to be provided to the Delaware Federal Action plaintiffs.

On or about October 11 and October 18, 2021, the Company provided the Delaware Federal Action plaintiffs with Section 220 documents that had been produced in response to another shareholders’ inspection demand.

On April 19, 2022, the Delaware Federal Action plaintiffs filed a Verified Shareholder Consolidated Derivative Complaint leveraging the Section 220 documents (Delaware Federal Action, ECF Nos. 7, 8).

On April 29, 2022, the parties filed a stipulation and proposed order extending the temporary stay to July 28, 2022, which the Court granted (Delaware Federal Action, ECF Nos. 9, 10).

On June 10, 2022, the Company produced additional Section 220 documents, which the Delaware Federal Action plaintiffs reviewed and evaluated.

On August 4, 2022, the parties filed a stipulation and proposed order extending the temporary stay to facilitate continued settlement negotiations, following a global mediation session attended by parties to all of the related derivative Actions (Delaware Federal Action, ECF No. 12). The Court entered an order extending the stay of the Delaware Federal Action to November 2, 2022 (Delaware Federal Action, ECF No. 13).

On March 30, 2023, the parties filed a notice that the stay had terminated, along with a proposed order setting deadlines for Defendants to answer or otherwise move in response to the complaint (Delaware Federal Action, ECF No. 14).

Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (Delaware Federal Action, ECF Nos. 16-18).

C. The New York Action

On September 10, 2021, plaintiff Sankaranarayanan filed a shareholder derivative complaint in the New York Court asserting claims for breach of fiduciary duty and unjust enrichment under New York law against certain of the Individual Defendants, captioned *Sankaranarayanan v. Palihapitiya, et al.*, Index No. 655420/2021 (“*Sankaranarayanan* Action”).

On October 15, 2021, plaintiff Sankaranarayanan filed a request for judicial intervention seeking assignment to the Commercial Division. The *Sankaranarayanan* Action was thereafter assigned to the Honorable Andrew Borrok, Commercial Division Part 53.

On November 18, 2021, the parties filed a stipulation and proposed order requesting that the New York Court temporarily stay proceedings to permit the parties to evaluate case management in light of developments in the related Securities, Tennessee, and Delaware Federal Actions.

On December 14, 2021, after negotiating the production of non-public, Board-level and related materials in response to a Section 220 demand to inspect Clover books and records, plaintiff Uvaydov filed a related shareholder derivative complaint in the New York Court, captioned *Uvaydov v. Palihapitiya, et al.*, Index No. 656978/2021 (“*Uvaydov* Action”), asserting claims for breach of fiduciary duty and related causes of action under New York law.

Following consultations among counsel, on February 2, 2022, the parties to the *Sankaranarayanan* Action and the *Uvaydov* Action filed a stipulation and proposed order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action and, providing for coordinated leadership among plaintiffs’ counsel, acknowledging service, and temporarily staying further proceedings pending completion of consultations among the parties’ counsel regarding case management and scheduling.

On August 19, 2022, the New York Court entered an order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action (forming the consolidated “New York Action”); appointing Robbins LLP as plaintiffs’ lead counsel, the Law Offices of Thomas G. Amon as plaintiffs’ liaison counsel, and establishing an executive committee consisting of Robbins LLP and Morris Kandinov LLP; and adopting the parties’ service agreement.

The New York Court declined to stay further proceedings and instead scheduled a preliminary conference for November 16, 2022.

On November 3, 2022, the New York Action plaintiffs filed a Consolidated Shareholder Derivative Complaint for Breach of Fiduciary Duty and Unjust Enrichment (the “New York Complaint”), which supplemented the original *Sankaranarayanan* Action and *Uvaydov* Action’s complaints’ allegations leveraging the Section 220 documents secured by plaintiff Uvaydov.

On November 9, 2022, the New York Action plaintiffs filed a stipulation and proposed order for the production and exchange of confidential information, which the New York Court entered on November 29, 2022. Thereafter, in connection with the anticipated global mediation, the parties to the New York Action exchanged additional confidential information bearing on the merits of the claims and potential defenses to the New York Action, and related insurance matters, which ultimately included all documents produced in the related Securities Action.

In early November 2022, counsel for the parties to the New York Action met and conferred regarding case management and scheduling issues in anticipation of the preliminary conference then scheduled for November 16, 2022. Defendants in the New York Action requested that the New York Court adjourn the preliminary conference pending the outcome of motions for partial summary judgment in related insurance coverage litigation pending in the Chancery Court, which relief the New York Action plaintiffs did not oppose. The New York Court adjourned the preliminary conference. Thereafter, the parties participated in a status conference on November 30, 2022, following which the New York Court entered an order resetting the preliminary conference for February 28, 2023.

The parties met and conferred and submitted an agreed-to discovery and pre-trial schedule for the New York Court’s consideration at the preliminary conference. At the preliminary

conference, the New York Court considered the parties' proposals for sequential briefing on a series of defense motions relating to jurisdiction, venue, and pleadings challenges, and defendants committed to producing to the New York Action plaintiffs all documents and written discovery and transcripts of any depositions taken in the related Securities Action. Clover subsequently made a number of productions, which counsel for the New York Action plaintiffs reviewed and evaluated in connection with preparation of an amended consolidated complaint and settlement discussions.

On April 24, 2023, the New York Court entered a case management order establishing deadlines for motions to dismiss, discovery, summary judgment, and other pre-trial matters. Among other matters, the case management order required defendants in the New York Action to serve any motion to dismiss the New York Complaint by May 5, 2023, set a compliance conference for August 14, 2023, and further required the parties to file a notice of issue/certificate of trial readiness on or before July 28, 2024.

On May 2, 2023, May 22, 2023, and July 5, 2023, the New York Court entered stipulated orders extending defendants' deadline to respond to the New York Complaint in order to facilitate the parties' ongoing mediator-supervised settlement negotiations. After the Parties executed a binding memorandum of understanding setting forth the material substantive terms of an agreement in principle to settle the Actions, the New York Court entered a stipulated order continuing the compliance conference to September 29, 2023, to provide the Parties time to resolve outstanding issues and to prepare a formal stipulation of settlement. The New York Court subsequently granted additional continuances to permit the Parties to finalize the Settlement.

D. The Delaware Chancery Action

On June 14, 2021, plaintiff Davies issued a Section 220 demand to inspect Clover's books and records. Following negotiations and execution of a confidentiality agreement, on September 24, 2021, the Company produced non-public, Board-level materials. After analyzing the production, Davies sought additional documents. Clover made additional materials available on October 27 and November 4, 2021.

On November 30, 2021, plaintiff Davies filed a shareholder derivative complaint under seal in the Chancery Court, incorporating the Section 220 documents and other confidential information.

Clover sought a stay pending resolution of the motion to dismiss in the Securities Action, and on January 19, 2022, the parties submitted a stipulation providing for such a stay, which was entered as the order of the court.

On April 29, 2022, the parties to the Delaware Chancery Action filed a stipulation to extend the temporary stay, through July 28, 2022, to permit the parties to focus their efforts on the global mediation scheduled for July 19, 2022, which the court approved on May 5, 2022.

On May 15, 2023, the parties filed a joint status report regarding the continuing global settlement negotiations, and a proposed schedule for briefing on defendants' motion to dismiss.

Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation.

E. Settlement Negotiations

In July 2022, the Parties agreed to participate in an in-person global mediation session in New York City to attempt to resolve and settle the Actions (the “First Mediation”). The First Mediation was set for July 19, 2022 before Jed D. Melnick, Esq., an experienced JAMS ADR mediator (the “Mediator”).

On July 8, 2022, counsel for the Parties commenced a series of exchanges of confidential information in anticipation of the First Mediation. Clover circulated a mediation statement addressing Plaintiffs’ factual allegations and legal contentions, and outlining various pleadings challenges and substantive defenses. Plaintiff Davies submitted a mediation statement addressing the facts, legal claims and damages to the Company, and a settlement demand with monetary and non-monetary components, including proposals for corporate governance enhancements designed to prevent recurrence of the alleged wrongdoing. The Tennessee Plaintiffs and the Delaware Federal Action plaintiffs jointly submitted a settlement demand summarizing damages and proposing a settlement framework that included corporate governance enhancements and a monetary payment to the Company. The New York Action plaintiffs submitted a settlement demand letter on July 18, 2022 summarizing the facts bearing on various theories of liability and damages, and demanding monetary compensation for the Company and corporate governance reform.

The First Mediation took place as scheduled on July 19, 2022. By day’s end it was clear that much more work would be required to reach a settlement agreement, and the Parties agreed to schedule a second mediation session.

On August 1, 2022, the Parties participated in a second day-long mediation session overseen by the Mediator (“Second Mediation”). Progress was made, but the Parties were unable

to reach agreement. The Parties agreed to continue their negotiations with the assistance of the Mediator.

In the months following the First and Second Mediations, the Parties continued to engage in hard fought, arm's-length settlement negotiations through e-mails and teleconferences, with the assistance of the Mediator. The negotiations regarding an appropriate remedial framework took many weeks. Once a mutually acceptable remedial framework was established, the Parties negotiated the details of the substantive consideration over the ensuing months. In the course of the negotiations, the Parties exchanged dozens of proposals and counter-proposals, carefully evaluated the implications of confidential information Clover shared with Plaintiffs' counsel regarding Clover's finances and operational performance, the available directors and officers liability insurance ("D&O insurance"), and developments in the related coverage litigation and Securities Action, and challenged each other's theories, allegations, and contentions of law and fact.

In early summer 2023, the Parties reached an agreement in principle regarding the material substantive consideration for the Settlement, and thereafter negotiated the terms of a memorandum of understanding, including, *inter alia*, release language and provisions for notice to shareholders. The Parties executed the memorandum of understanding on June 21, 2023.

After reaching agreement on the material substantive terms of the Settlement, the Parties, with the assistance of the Mediator, separately negotiated and reached an agreement regarding the attorneys' fees and expenses that would be payable to Plaintiffs' Counsel (defined in paragraph 1.19, *infra*) commensurate with the Settlement's substantial benefits, subject to the Court's approval. The Parties concurrently negotiated this Stipulation detailing the Settlement's operational terms and conditions.

II. PLAINTIFFS' CLAIMS AND THE BENEFITS OF SETTLEMENT

Plaintiffs and Plaintiffs' Counsel believe that the claims asserted in the Actions have substantial merit. Plaintiffs' entry into this Stipulation is not intended to be and shall not be construed as an admission or concession concerning the relative strength or merit of the claims alleged in the Actions. Plaintiffs and Plaintiffs' Counsel recognize and acknowledge, however, the significant risk, expense, and duration of continued proceedings necessary to prosecute the derivative claims against the Individual Defendants through trial(s) and possible appeals, and uncertain outcome and the risks of further litigation, problems of proof, and the significant costs and distractions such litigation would impose on the Company.

Plaintiffs' Counsel's conclusion that the Settlement serves the best interests of Clover and its stockholders is well-informed. Plaintiffs' Counsel have conducted extensive investigation and evaluation of the relevant facts and governing law, including, *inter alia*: (i) Clover press releases, transcripts of public statements, and filings with the U.S. Securities and Exchange Commission ("SEC"); (ii) securities analysts' reports and advisories, and business and financial media reports about the Company; (iii) the pleadings and orders in the related Securities Action; (iv) the applicable legal standards and relevant precedents under Delaware, New York, and the federal securities laws governing the claims and potential defenses; (v) documents produced in response to multiple Section 220 demands; (vi) documents produced in discovery in the Securities Action; (vii) additional confidential documents and information exchanged during the course of the Mediation sessions and subsequent settlement negotiations; (viii) the Company's corporate governance structures, matters bearing on the unique governance challenges facing entities created in de-SPAC mergers, and relevant governance best practices; and (ix) the ranges of potential recovery under multiple damages and disgorgement theories. Plaintiffs' Counsel learned more in

the dozens of face-to-face, written and telephonic mediation exchanges that led to the Settlement, during which facts were disputed, legal theories tested and questions of proof bearing on the merits, damages, and sources of recovery thoroughly vetted.

Based on Plaintiffs' Counsel's thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, Plaintiffs' Counsel believe that the Settlement is fair, reasonable, and adequate, and confers substantial benefits upon Clover and its stockholders.

III. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

Defendants deny that they have committed or engaged in any wrongdoing or violation of law whatsoever. Defendants further deny each and all of the claims and contentions alleged by Plaintiffs in the Actions. The Individual Defendants have expressly denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged in the Actions.

Defendants have concluded that it is desirable for the Actions to be fully and finally settled in the matter upon the terms and conditions set forth in this Stipulation, taking into account the uncertainty and risks inherent in complex litigation, the costs of defense, and the distraction of key members of management and the Board from the business of the Company. Defendants have, therefore, determined that it is in the best interests of Clover for the Actions to be settled in the manner and upon the terms and conditions set forth in this Stipulation. This Stipulation shall in no event be construed as or deemed to be evidence of an admission or concession by Defendants regarding any claim of fault, liability, wrongdoing or damage whatsoever.

IV. INDEPENDENT DIRECTOR APPROVAL

Clover's Board of Directors (the "Board"), including its independent, non-employee members, have unanimously approved a resolution reflecting the Board's determination, in the good faith exercise of its business judgment, that the Settlement and each of its terms are fair and reasonable, that the Enhancements (defined in paragraph 1.11 *infra*) confer substantial benefits upon Clover and its stockholders, and that the Board's commitment to adopt, implement, and maintain the Enhancements for the Effective Term (defined in paragraph 1.10 *infra*) will serve Clover and its stockholders' best interests, and constitutes fair, reasonable and adequate consideration for the releases set forth herein. A copy of the Board's resolution has been provided to Plaintiffs' Counsel.

With respect to any and all Released Claims and Defendants’ Released Claims, the Parties stipulate and agree that, upon the Effective Date, the Plaintiffs Releasing Parties and the Released Persons shall expressly waive and relinquish, and each Current Clover Stockholder shall be deemed to have and by operation of the Judgment shall have expressly waived and relinquished to the fullest extent permitted by law, the provisions, rights and benefits conferred by and under California Civil Code § 1542, and any other law of the United States or any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Plaintiffs Releasing Parties and Released Persons acknowledge that they and Current Clover Stockholders may hereafter discover facts in addition to or different from those now known or believed to be true by them, with respect to the subject matter of the Released Claims and Defendants' Released Claims, but it is the intention of the Parties that the Plaintiffs Releasing Parties, the Released Persons, and all Current Clover Stockholders shall be deemed to and by operation of the Judgment shall completely, fully, finally, and forever compromise, settle, release, discharge, and extinguish any and all Released Claims and Defendants' Released Claims, known or unknown, suspected or unsuspected, contingent or absolute, accrued or unaccrued, apparent or unapparent, which do now exist, or heretofore existed, or may hereafter exist, upon any theory of law or equity now existing or coming into existence in the future, and without regard to the subsequent discovery of additional or different facts. The Parties acknowledge that the foregoing waiver was separately bargained for and is a key element of the Stipulation of which this release is a part.

2. TERMS OF THE SETTLEMENT

2.1 The Board shall adopt and oversee the implementation and operation of the Enhancements set forth in Exhibit A hereto, using reasonable best efforts to adopt and incorporate them within sixty (60) days of the Effective Date, unless otherwise specified in Exhibit A.

2.2 The Board acknowledges and agrees that the filing of, pendency of, and settlement demands made in the Actions, were substantial and material factors in the Board's decision to adopt, implement, and/or maintain the Enhancements.

2.3 The Board and/or the Company shall adopt such resolutions, amend such committee charters, and adopt or amend any policies or procedures as necessary to fully and faithfully implement the Enhancements.

2.4 The Enhancements shall remain in effect until the earlier of (i) forty-two (42) months following the Effective Date, and (ii) the next date, if any, when the Company is no longer listed on a national securities exchange (the “Effective Term”).

2.5 The Board further acknowledges and agrees that (i) the Enhancements confer substantial benefits on the Company and Current Clover Stockholders; and (ii) the Board’s commitment to adopt, implement, and maintain the Enhancements for the Effective Term will serve the Company and Current Clover Stockholders’ best interests, and constitutes fair, reasonable and adequate consideration for Plaintiffs’ Releasing Parties’ agreement to release the Released Claims.

2.6 The Enhancements shall be construed and implemented in a manner consistent with applicable federal, state and local laws, rules, regulations and policies, including, without limitation, applicable fiduciary duties (“Applicable Law”). In the event the Board determines, based upon sound legal advice, that any element of the Enhancements must be modified or repealed to conform to Applicable Law, the Board shall, in the good faith exercise of its informed business judgment, endeavor to adopt a substitute designed to accomplish the purpose(s) of the repealed policy or measure. Any such changes shall be described and explained in the Company’s next regularly scheduled periodic report on SEC Quarterly Report on Form 10-Q or Annual Report on Form 10-K. Clover represents that it is presently unaware of any such conflicts with Applicable Law that would require the modification or repeal of any of the Enhancements.

3. APPROVAL AND NOTICE

3.1 As soon as practicable, the Tennessee Plaintiffs shall submit this Stipulation together with its exhibits to the Court and shall jointly apply for entry of the Preliminary Approval Order, substantially in the form of Exhibit B attached hereto, requesting: (i) preliminary approval of the Settlement set forth in this Stipulation; (ii) approval of the form and manner of providing notice of the Settlement to Current Clover Stockholders substantially in the forms attached hereto as Exhibits C-1 (“Long-Form Notice”) and C-2 (“Short-Form Notice”) (the Long-Form Notice and the Short-Form Notice are collectively referred to as “Notice”); and (iii) a date for the Settlement Hearing. Promptly thereafter, the applicable Parties shall notify the courts in which the other Actions are pending of such submission.

3.2 Within ten (10) business days after the entry of the Preliminary Approval Order, Clover shall: (1) post a copy of the Long-Form Notice and the Stipulation and exhibits thereto on the Investor Relations page of the Company’s website; (2) publish the Short-Form Notice in *Investor’s Business Daily* and issue a press release with *GlobeNewswire*; and (3) file with the SEC the Long-Form Notice and Stipulation and exhibits thereto as exhibits to an SEC Current Report on Form 8-K. The Notice shall provide a link to the Investor Relations page on Clover’s website where the Long-Form Notice and Stipulation and exhibits thereto may be viewed, which page will be maintained through the date of the Settlement Hearing. Clover shall be solely responsible for paying the costs and expenses related to providing notice of the Settlement set forth in this paragraph or as otherwise required by the Court. The Parties believe the form and manner of notice set forth in this paragraph constitute adequate and reasonable notice to Current Clover Stockholders pursuant to applicable law and due process. Clover shall timely file a declaration or

affidavit confirming compliance with the Court-ordered notice not less than fourteen (14) business days before the Settlement Hearing.

3.3 Pending the Court's determination as to final approval of the Settlement, Plaintiffs and Current Clover Stockholders are barred and enjoined from commencing, instituting, or prosecuting any of the Released Claims against any of the Released Persons.

4. ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES

4.1 After negotiating the material substantive terms of the Settlement, Plaintiffs' Counsel and counsel for Clover, with the assistance of the Mediator, separately negotiated a reasonable amount in attorney's fees and expenses to be paid to Plaintiffs' Counsel commensurate with the value of the substantial benefits conferred upon Clover and Current Clover Stockholders through the Enhancements and the risks assumed by Plaintiffs' Counsel in pursuing the Actions on a wholly contingent basis. Clover, acting by and through its Board, has agreed that Plaintiffs' Counsel are entitled to an award of reasonable attorneys' fees and expenses in the amount of \$2,500,000.00 (the "Fee and Expense Amount").

4.2 Clover shall pay, or cause to be paid, the Fee and Expense Amount to an account or accounts designated by Plaintiffs' Counsel within thirty (30) days after the date of entry of the Preliminary Approval Order, subject to Plaintiffs' Counsel's timely transmission of wire instructions and tax identification numbers. The funds shall be releasable immediately upon entry of an order granting final approval of the Settlement and approving the Fee and Expense Amount or such other amount as may be awarded by the Court, notwithstanding the existence of any timely filed objection(s) thereto, or appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Plaintiffs' Counsel's several obligation to make appropriate refunds of payments within thirty (30) days if, and when, as a result of any appeal and/or further proceedings on remand,

or successful collateral attack, approval of the Settlement is denied or overturned, or the Fee and Expense Amount is reduced.

4.3 The Fee and Expense Amount shall be allocated pursuant to agreement among Plaintiffs' Counsel, and no Defendant shall have any responsibility for that allocation. Any disputes regarding allocation of the Fee and Expense Amount among Plaintiffs' Counsel will be finally resolved by the Mediator pursuant to expedited arbitral procedures determined by the Mediator.

4.4 Plaintiffs' Counsel may apply to the Court for service awards of up to three thousand dollars (\$3,000.00) for each of the Plaintiffs to be paid from the Fee and Expense Amount in recognition of Plaintiffs' participation and effort in the initiation, prosecution, and settlement of the Actions (the "Service Awards"). Defendants shall take no position with respect to service awards in this amount. The Court's decision regarding whether to approve, in whole or in part, any proposed service award, shall have no effect on the Settlement.

4.5 The Court's decision regarding whether to approve the Parties' agreement with respect to the award of attorneys' fees and costs is not a necessary term of this Settlement, and it is not a condition of this Settlement that Plaintiffs' Counsel's application(s) for such fees and costs be approved by the Court in the amount of the Fee and Expense Amount or in any other amount.

5. RELEASES

5.1 Within five (5) days after the Effective Date, the Plaintiffs to the Delaware Federal Action, the New York Action, and the Delaware Chancery Action shall file the appropriate documents in their respective actions to voluntarily dismiss the respective actions with prejudice.

5.2 Upon the Effective Date, the Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and

discharged the Released Claims against the Released Persons. Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue any Released Person with respect to any Released Claims, and shall be permanently barred and enjoined from instituting, commencing or prosecuting the Released Claims against the Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

5.3 Upon the Effective Date, the Released Persons shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished and discharged each and all of Defendants' Released Persons from Defendants' Released Claims. The Released Persons shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue Defendants' Released Persons with respect to any of Defendants' Released Claims, and shall be permanently barred and enjoined from instituting, commencing or prosecuting Defendants' Released Claims against Defendants' Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

6. CONDITIONS OF SETTLEMENT; EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION

6.1 The Effective Date of this Stipulation shall be conditioned on the occurrence of all of the following events:

a. Court approval of the content and method of providing notice of the proposed Settlement to Current Clover Stockholders, and the subsequent dissemination of the notice of the proposed Settlement to Current Clover Stockholders;

b. Court entry of the Judgment, in all material respects in the form set forth as Exhibit D annexed hereto, approving the Settlement and dismissing the Tennessee Action with prejudice, without awarding costs to any party, except as provided herein;

c. payment of the Fee and Expense Amount in accordance with paragraph 4;
and

d. the passing of the date upon which the Judgment becomes Final.

6.2 If any of the conditions specified above in paragraph 6.1 are not met, then this Stipulation shall be canceled and terminated subject to paragraph 6.3, unless the Parties or their respective counsel mutually agree in writing to proceed with this Stipulation.

6.3 If for any reason the Effective Date of this Stipulation does not occur, or if this Stipulation is in any way canceled, terminated or fails to become Final in accordance with its terms: (a) all Parties shall be restored to their respective positions in the Actions as of the date of this Stipulation; (b) all releases delivered in connection with this Stipulation shall be null and void, except as otherwise provided for in this Stipulation; (c) the Fee and Expense Amount paid to Plaintiffs' Counsel shall be refunded and returned within thirty (30) days; and (d) all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Parties, shall not be deemed or construed to be an admission by a Party of any act, matter, or proposition, and shall not be used in any manner for any purpose in any subsequent proceeding in the Actions or in any other action or proceeding. In such event, the terms and provisions of this Stipulation shall have no further force and effect with respect to the Parties and shall not be used in the Actions or in any other proceeding for any purpose.

7. MISCELLANEOUS PROVISIONS

7.1 The Parties: (i) acknowledge that it is their intent to consummate the Settlement; and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of the Settlement and to exercise their reasonable best efforts to accomplish the

foregoing terms and conditions of the Settlement. In the event that any dispute arises between the Parties regarding such efforts, they shall attempt to resolve the dispute in good faith.

7.2 In the event that any part of the Settlement other than paragraphs 2.1 through 2.4, 2.6, and 5.1 through 5.3 is found to be unlawful, void, unconscionable, or against public policy by a court of competent jurisdiction, the remaining terms and conditions of the Settlement shall remain intact.

7.3 The Parties intend this Settlement to be a final and complete resolution of all disputes between them with respect to the Actions and any and all claims released herein.

7.4 Nothing in this Stipulation, or any other settlement-related documents or communications, constitutes an admission that any claim which was brought or could have been brought in the Actions has or lacks any merit whatsoever.

7.5 Neither this Stipulation, nor any of its terms or provisions, nor entry of the Judgment (defined herein), nor any act performed or document executed pursuant to or in furtherance of this Stipulation or the Settlement, is, may be construed as, or may be used as evidence of the validity of any of the claims released herein or an admission by or against the Individual Defendants of any fault, wrongdoing, or concession of liability whatsoever.

7.6 Defendants may file this Stipulation and/or the Judgment in any action that has or may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

7.7 This Stipulation may not be terminated, modified, or amended, except by an agreement in writing signed by the Parties or their respective counsel.

7.8 This Stipulation shall be construed as if the Parties collectively prepared it, and any uncertainty or ambiguity shall not be interpreted against any of the Parties.

7.9 This Stipulation shall be considered to have been negotiated, executed and delivered, and to be wholly performed, in the State of Delaware, and shall be governed by, construed, and enforced in accordance with the laws of the State of Delaware without regard to any state's principles, policies, or provisions governing choice of law.

7.10 This Stipulation and the exhibits attached hereto contain the entire understanding of the Parties concerning the subject matter hereof and supersede any and all prior agreements, discussions, or negotiations of the Parties, whether oral or in writing.

7.11 The exhibits to this Stipulation are material and integral parts hereof and are fully incorporated herein. In the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit hereto, the terms of this Stipulation shall prevail.

7.12 This Settlement may be executed in any number of counterparts with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument. A facsimile or electronic (e.g., PDF format) copy of this Settlement as executed shall be deemed an original.

7.13 The Parties agree that each Party and their counsel has complied with the applicable requirements of good faith litigation and that no action, allegation, position taken, or filing was undertaken or made in bad faith or in violation of Rule 11 of the Federal Rules of Civil Procedure or a comparable provision of state law.

7.14 No representations, warranties, or inducements have been made to any of the Parties concerning this Stipulation or its exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. The undersigned counsel represent

and warrant that they have authority to enter into this Stipulation on behalf of the respective Parties whom they represent.

7.15 In the event any proceedings by or on behalf of Clover, whether voluntary or involuntary, are initiated under any chapter of the United States Bankruptcy Code, including an act of receivership, asset seizure, or similar federal or state law action (“Bankruptcy Proceedings”), the Parties agree to use their reasonable best efforts to obtain all necessary orders, consents, releases, and approvals for effectuation of this Stipulation in a timely and expeditious manner. In the event of any Bankruptcy Proceedings by or on behalf of Clover, the Parties agree that all dates and deadlines set forth herein will be extended for such periods of time as are necessary to obtain necessary orders, consents, releases and approvals from the bankruptcy court to carry out the terms and conditions of the Stipulation.

7.16 Any planned, proposed, or actual sale, merger, or change-in-control of Clover shall not void this Stipulation. The Stipulation shall run to the Parties’ respective successors-in-interest. In the event of a planned, proposed, or actual sale, merger, or change-in-control of Clover, the Parties shall continue to seek court approval of the Settlement expeditiously, including without limitation the Settlement terms reflected in this Stipulation and the Fee and Expense Amount.

7.17 Any dispute arising out of or relating to the Settlement shall be finally determined and resolved by the Mediator according to the expedited procedures determined by the Mediator. Each party shall bear their own costs and expenses in connection with any mediation or arbitral proceedings set forth herein.

7.18 Except with respect to the Court-approved Notice, the Parties may agree to reasonable extensions of time to carry out the provisions of this Stipulation without further order of the Court.

7.19 Without affecting the finality of the Judgment, the Court shall retain jurisdiction to implement and enforce the terms of the Stipulation and the Judgment and to consider any matters or disputes arising out of or relating to the Settlement, and the Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement embodied in the Stipulation and Judgment, and for matters or disputes arising out of or relating to the Settlement.

IN WITNESS WHEREOF, the Parties have caused the Stipulation to be executed by their duty authorized attorneys.

IT IS HEREBY AGREED by the undersigned as of February 2, 2024.

EXHIBIT A

**CORPORATE GOVERNANCE AND OVERSIGHT ENHANCEMENTS TO BE
ADOPTED, IMPLEMENTED, AND MAINTAINED BY CLOVER**

The Board of Directors (“Board”) shall formally adopt and oversee the implementation and operation of the corporate governance enhancements detailed herein (the “Enhancements”), using reasonable best efforts to install them within sixty (60) days of the Effective Date (the “Effective Date” being the date of final approval of the settlement of the Actions (defined below) by the applicable court), unless otherwise specified herein. The Board acknowledges and agrees that the filing of, pendency of, and/or settlement demands made in the derivative Actions, were substantial and material factors in the Board’s decision to adopt, implement and/or maintain the Enhancements.⁴ The Board shall adopt such resolutions, amend such committee charters, and adopt or amend any policies or procedures as necessary to fully and faithfully implement the Enhancements. The Enhancements shall remain in effect until the earlier of (i) forty-two (42) months following the Effective Date, and (ii) the next date, if any, when the Clover Health Investments, Corp. (“Clover” or the “Company”) is no longer listed on a national securities exchange (the “Effective Term”).

The Board further acknowledges and agrees that (i) the Enhancements confer substantial benefits on the Company and its stockholders; and (ii) the Board’s commitment to adopt, implement, and maintain the Enhancements for the Effective Term will serve the Company and its stockholders’ best interests, and constitutes fair, reasonable and adequate consideration for plaintiffs Michael Fuhrman, Eric Wiegand, Yuechuan Sun, Manteg Luthra, Sreecharan Sankaranarayanan, Zalmon Uvaydov, and Roland Davies’ (the “Plaintiffs”) release of the derivative claims.

The Enhancements shall be construed and implemented in a manner consistent with applicable federal, state and local laws, rules, regulations and policies, including, without limitation, applicable fiduciary duties (“Applicable Law”). In the event the Board determines, based upon sound legal advice, that any element of the Enhancements must be modified or repealed to conform to Applicable Law, the Board shall, in the good faith exercise of its informed business judgment, endeavor to adopt a substitute designed to accomplish the purpose(s) of the repealed policy or measure. Any such changes shall be described and explained in the Company’s next regularly scheduled periodic report on U.S. Securities and Exchange Commission (“SEC”) Form 10-Q or 10-K. Clover represents that it is presently unaware of any such conflicts with Applicable Law that would require the modification or repeal of any of the Enhancements as set forth herein.

- I. The Board shall designate an independent, non-employee director as Lead Independent Director (“LID”). The LID shall, in conjunction with the Board’s

CONFIDENTIAL SETTLEMENT COMMUNICATION

Nominating and Corporate Governance Committee (“the Governance Committee”), oversee adoption, implementation and compliance with the Enhancements.

II. Board Refreshment and Independence:

1. Clover will appoint one new independent director to the Board who qualifies as financially sophisticated under NASDAQ rules and shall be identified through a search conducted by the independent directors on the Governance Committee with the assistance of an independent search firm. The sixty-day provision above notwithstanding, Clover will make reasonable best efforts to appoint this director within one hundred twenty (120) days of the Effective Date.
2. Clover acknowledges that the initiation and pendency of the derivative Actions was a substantial and material factor in the appointments of Dr. Carladenise Armbrister Edwards and Dr. Anna U. Loengard as independent directors in July 2022 and November 2022, respectively.
3. The Board shall utilize the following procedures for the recruitment and addition of the new independent director:
 - A. The Governance Committee shall review the Board’s current array of skills, expertise, experience, and other relevant qualities (“Skills Matrix”) and identify areas for improvement and development.
 - B. The Company will post the Skills Matrix to the Investor Relations section of its website.
 - C. The Governance Committee will retain an independent corporate governance expert to receive input to identify qualities to seek in director candidates.
 - D. The Governance Committee will engage an independent search firm, to identify prospective candidates for the new independent director position in keeping with the qualities identified above.
 - E. The Governance Committee Chair will review the prospective candidates identified and work together with the independent corporate governance expert to select those candidates to be forwarded to the full Governance Committee for consideration. This review, including background information and interviews of prospective candidates, will be conducted with respect to all candidates who express their consent to being considered and to serving as a director. No fewer than five (5) qualified director candidates will be sent to the Governance Committee for review.
 - F. Once the candidates are identified by the Governance Committee Chair and considered by the full Governance Committee, the Board

CONFIDENTIAL SETTLEMENT COMMUNICATION

shall meet with the candidates and, subject to its fiduciary duties and judgment, nominate a candidate for election to the Board or, if no stockholders' meeting is scheduled in the next ninety (90) days or if the proxy statement for such meeting has already been filed with the SEC, the Board shall elect a candidate to fill any Board vacancies until such future meeting is held and the candidate can be nominated for election by stockholders. If the Board does not select one of the identified candidates, then the process set forth in this section shall be repeated until the Board elects a candidate meeting the qualifications set forth herein.

- G. If a director put in place through this process is no longer able to serve on the Board, the process described above shall be repeated for the selection of a replacement director.
- 4. The Board will adopt a policy providing that directors may serve on not more than three (3) other public company boards.
 - 5. The Board will adopt a policy requiring that the Board's (i) Audit Committee, (ii) Talent and Compensation Committee (the "Compensation Committee"), and (iii) Governance Committee be comprised of a majority of independent directors.
 - 6. The Board will amend Section 3.5 of the Company's Corporate Governance Guidelines (amended and restated as of November 8, 2021, the "Governance Guidelines") to require that a majority of the members of the Board be independent within the meaning of NASDAQ listing standards, and, in addition, that a director will not be considered independent if the director is:
 - A. a director who is, or at any time during the past three (3) years was, employed by the Company;
 - B. a director who accepted or who has a Family Member (as defined in NASDAQ listing standards) who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three (3) years preceding the determination of independence, other than (i) compensation for Board or Board committee service; (ii) compensation paid to a Family Member who is an employee (other than an Executive Officer (as defined in the NASDAQ listing standards)) of the Company; or (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation;
 - C. a director who is a Family Member of an individual who is, or at any time during the past three (3) years was, employed by the Company as an Executive Officer;

CONFIDENTIAL SETTLEMENT COMMUNICATION

- D. a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder (as defined in NASDAQ listing standards) or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three (3) fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than payments arising solely from investments in the Company's securities or payments under non-discretionary charitable contribution matching programs;
- E. a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three (3) years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or
- F. a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three (3) years.

An Independent Director who loses his or her independent status shall no longer be considered an independent director for the purposes hereof, and shall resign unless the Board would still be comprised of a majority of independent directors. If the Company fails to comply with the independence requirements set forth herein due to one or more vacancies of the Board, Clover shall use reasonable best efforts to regain compliance with these requirements within sixty (60) days.

- III. Enhancements to Enterprise Risk Management and Management-Level Risk Committee ("Risk Committee")
 - 1. The Board amended its Enterprise Risk Management Policy ("ERP") to enhance its Enterprise Risk Management ("ERM") program on December 12, 2022, as set forth herein.
 - 2. The primary objectives of the ERM program are to:
 - A. Establish a systematic approach to identify, assess, manage, monitor and report on enterprise-wide risks that could impact the achievement of the Company's strategy, including impact to capital management and solvency;
 - B. Provide appropriate insight and focus to senior management and to the Board on key risks;
 - C. Promote a culture of integrity and accountability that raises risk awareness and encourages proactive identification of risk and control in all business functions and entities;

CONFIDENTIAL SETTLEMENT COMMUNICATION

- D. Incorporate key risk consideration into strategic business decisions;
and
 - E. Comply with applicable regulatory laws/guidance, including the National Association of Insurance Commissioners Own Risk and Solvency Assessment and the State of New Jersey Department of Banking & Insurance Title 17 (C.17:23-17).
3. The Company shall establish a Risk Committee Charter formalizing the Risk Committee's responsibilities for providing direct oversight of the ERM program. The Risk Committee shall facilitate overall compliance with the ERP of the Company and reporting of risk matters to the Audit Committee. The charter shall reflect that the Risk Committee will function as a working committee to oversee the ERM function and the establishment of the ERM program, policies, and processes and governance procedures designed to identify, communicate, manage, monitor, control and report exposures to significant risks to the strategy, goals and objectives, and operations of the Company. Members must be representative of and familiar with all key business areas of the Company and be in an executive-level management position or an appropriate executive delegate.
4. In addition, the charter shall state the Risk Committee's responsibilities, as follows:
- A. The Risk Committee shall be primarily responsible for the risk management policies of the Company's operations and oversight of the operation of the Company's risk management framework, as an adjunct to and in support of the risk assessment and oversight responsibilities of the Board and its existing committees;
 - B. The Risk Committee shall be responsible for monitoring Clover's compliance with all internal risk assessment and internal reporting conducted by Clover's employees. The Risk Committee shall be responsible for identifying material risks relating to Clover's compliance with all applicable laws and regulations and public disclosures about Clover's business affairs, financial reporting, and risk exposure;
 - C. The Risk Committee shall have unrestricted access to Company personnel and documents and authority to direct and supervise an investigation into any matters within the scope of its duties, including for the purpose of identifying material risks relating to Clover's compliance procedures;
 - D. The Risk Committee shall prepare a report to the Audit Committee whenever any material risks relating to Clover's compliance are

CONFIDENTIAL SETTLEMENT COMMUNICATION

identified. This report shall include recommendations regarding proposals for mitigating these risks, as well as relevant considerations relating to Clover's public disclosures of these risks;

- E. The Risk Committee shall meet at least four (4) times annually;
- F. The Risk Committee shall receive reports from management or other appropriate personnel, providing information necessary to confirm the accuracy of proposed public disclosures;
- G. The Risk Committee, with the assistance of the Audit Committee, shall be responsible for monitoring compliance with Clover's Code of Business Conduct and Ethics ("Code of Conduct"). In the event that a violation of the Code of Conduct is sufficiently material to trigger a disclosure obligation, the Risk Committee will report the violation to the Audit Committee; and
- H. The Risk Committee shall have the authority to retain separate and independent advisors or counsel to aid in fulfilling its responsibilities under its charter, which shall be at Clover's expense.

IV. Board Composition and Practices

- 1. The Board currently has eight (8) members. The Board shall adopt the following enhancements as they relate to its composition and practices:
 - A. Limitations on Other Boards. The Audit Committee Charter shall include a provision to require that members of that committee may sit on no more than two (2) additional public boards. Additionally, the Chief Executive Officer ("CEO") of the Company may sit on no more than one (1) other such board. Clover's Directors and Officers may not serve as Board members at companies that directly compete with Clover.

V. Board Diversity

- 1. The Company's Governance Guidelines provide that the Governance Committee, along with the rest of the Board, determine the desired director qualifications, "with the goal of developing an experienced and highly qualified Board, with a diverse background and skill set."
- 2. To further promote this goal, the Company shall establish a specific policy addressing measures taken to promote Board diversity. When seeking candidates for nomination to the Board, each pool of candidates shall, to the extent practicable, include at least one quarter of candidates from "underrepresented minorities," as defined in NASDAQ Rule 5605(f), thereby ensuring "underrepresented minorities" are considered for nomination to the Board with appropriate consistency.

CONFIDENTIAL SETTLEMENT COMMUNICATION

VI. Board Education

1. The Board will amend Section 4 of the Governance Guidelines to explicitly require all directors to attend a Board of Directors training or similar program(s) within one (1) year after Court approval of the settlement and at least once every two (2) years thereafter. All costs in connection with attendance and participation in this director training shall be paid for by the Company. Newly elected Board members must attend such programs within six (6) months of joining the Board.

VII. Enhanced Duties of the Compensation Committee and Improvements to the Compensation Committee Charter

1. The Board amended and enhanced the Compensation Committee's Charter on March 22, 2023, which now provides that:
 - A. In addition to such other responsibilities as may be delegated to the Committee from time-to-time by the Board, the Committee shall periodically review and discuss with the CEO and the Board the development and succession plans for senior management positions.
2. Clover shall also adopt additional resolutions to amend the Charter of the Compensation Committee. The amended Compensation Committee Charter shall be posted on the Company's website. Clover will amend the Charter of the Compensation Committee to require that:
 - A. in determining, setting, or approving the annual short-term compensation of Clover's executive officers and other personnel, the Compensation Committee shall consider such individual's performance as it relates to both legal compliance and compliance with Clover's internal policies and procedures; and
 - B. in determining, setting, or approving termination benefits and/or separation pay to executive officers, the Compensation Committee shall take into consideration the circumstances surrounding the particular executive officer's departure and the executive's performance as it relates to both legal compliance and compliance with the Company's internal policies and procedures.

VIII. Conflicts Committee

1. The Company amended and enhanced its Conflicts of Interest Committee ("Conflicts Committee") Charter in August 2021. The Conflicts Committee Charter is set forth in Appendix A.
2. The Conflicts Committee shall be comprised of key Company management, including the Chief Corporate Compliance Officer ("CCO"), Chief Financial Officer ("CFO") and General Counsel ("GC").

CONFIDENTIAL SETTLEMENT COMMUNICATION

3. The Conflicts Committee has general oversight responsibility for the implementation, supervision, and ongoing management of the Company's conflicts of interest program, policies, and procedures; the determination of whether particular relationships or related party transactions ("RPTs") constitute actual or potential conflicts of interest; the determination and implementation of any mitigating steps in response to any such conflicts; and the determination of whether any relationships or conflicts should be escalated for review to the Audit Committee.
4. The Conflicts Committee shall implement and maintain a Conflicts of Interest policy and procedure (the "Conflicts of Interest Policy") that ensures that the Company complies with industry standards and best practices for public companies. The Conflicts of Interest Policy shall include detailed procedures and thresholds for identification, evaluation, and decision-making regarding existing or proposed RPTs involving Section 16 reporting officers or directors that pose a risk of an actual or potential conflict of interest.
5. The Conflicts Committee shall, on no less than an annual basis, review and amend the Conflicts of Interest Policy and related procedures as the Conflicts Committee and Audit Committee deem necessary and appropriate to ensure its continued effectiveness.
6. The Conflicts Committee Chair and the Conflicts Committee shall report directly to and shall be accountable to Clover's Audit Committee. Reports to the Audit Committee will address activities and the status of the conflicts program, including any identified, investigated and/or resolved significant or material issues, and the results of internal and external audits.
7. The Conflicts Committee will meet at least monthly, and as frequently as necessary to ensure effective oversight of the conflicts program.

IX. Enhanced Duties of the Audit Committee

1. The Audit Committee shall meet at least four (4) times annually and in separate executive sessions with representatives of the Company's management-level Disclosure Committee and CCO in carrying out its duties.

X. Audit Committee Charter Enhancements

1. Clover shall adopt a resolution to amend the Charter of the Audit Committee (the "Audit Committee Charter"). The amended Audit Committee Charter shall be posted on the Company's website. The amended Audit Committee Charter shall provide that:
 - A. the Audit Committee shall meet at least five (5) times annually, including one meeting focused exclusively on ERM and assessment

of the Company's accounting, financial reporting and compliance internal controls regimes, with each such meeting to include separate executive sessions, and meetings with Disclosure Committee representatives and the CCO;

- B. the Company shall require the Audit Committee to evaluate the Company's enterprise risks at least twice annually, and more often as necessary to address new, potentially material risks as they arise;
- C. the Company shall require the Audit Committee to conduct appropriate review and oversight of RPTs, as defined by applicable SEC and NASDAQ rules and as set forth herein;
- D. the Audit Committee shall review and consider amendments to the Code of Conduct at least annually to ensure its continued effectiveness;
- E. the Audit Committee shall compile a list of potential independent outside auditors and conduct the necessary preemptive due diligence to ensure that the Company is not without a registered independent outside auditor for more than thirty (30) days upon the resignation or termination of its current registered independent outside auditor. Copies of the compiled list and any reports drafted during the due diligence process by the Audit Committee shall be provided to the Disclosure Committee; and
- F. the Audit Committee shall have the authority to review recordings or transcripts of earnings teleconferences, annual shareholder meetings, investor conferences, and other public statements by Company representatives and to make appropriate recommendations to management regarding the quality of the information provided to investors and any corrections, modifications, or additional disclosures as the Committee deems advisable. Management shall assist the Audit Committee, as appropriate, in conducting such reviews and shall evaluate any recommendations made by the Audit Committee in connection with such reviews.

XI. Improvements to the Governance Committee Charter

- 1. The Board amended and enhanced the Charter of the Governance Committee (the "Governance Committee Charter") on March 22, 2023, which now provides that, in addition to such other responsibilities as may be delegated to the Governance Committee from time-to-time by the Board, the Governance Committee shall:
 - A. Periodically review and discuss the development and succession plan for the CEO; and

CONFIDENTIAL SETTLEMENT COMMUNICATION

- B. Review annually the Executive Chairman's performance against the responsibilities outlined in the Executive Chair Duties and Responsibilities policy and as otherwise established by the Board.
2. Clover shall also adopt additional resolutions to amend the Charter of the Governance Committee. The amended Governance Committee Charter shall be posted on the Company's website. Clover will amend the Charter of the Governance Committee to require that:
- A. Final approval of a director candidate shall be determined by the full Board. Potential disqualifying conflicts of interest to be considered shall include familial relationships with Company officers or directors, interlocking directorships, and/or substantial business, civic, and/or social relationships with other members of the Board that could impair the prospective Board member's ability to act independently from other Board members;
 - B. The Governance Committee shall hire an independent corporate governance expert at least once every two (2) years to review and evaluate Clover's director nomination processes, compare these processes with best practices, and assist the Governance Committee in developing recommendations to the Board regarding any actions to take based on its evaluation, including the implementation of new processes and procedures as necessary; and

WHEREAS, the Court also finds, upon a preliminary evaluation, that Clover shareholders should be apprised of the Settlement through the proposed form of notice, allowed to file objections, if any, thereto, and appear at the Settlement Hearing.

NOW, THEREFORE, having found that sufficient grounds exist for entering this Order, the Court hereby ORDERS as follows:

This Order incorporates by reference the definitions in the Stipulation, unless otherwise defined in this Order.

Stockholders from directly or indirectly commencing, instituting, or prosecuting any of the Released Claims against any of the Released Persons in any court or tribunal.

11. Neither this Order nor any act or omission in connection therewith is intended to be, or shall be: (i) offered against any of the Released Persons as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Persons with respect to the truth of any fact alleged by Plaintiffs or the validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in the Actions or in any other litigation, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Released Persons or in any way referred to for any other reason as against any of the Released Persons, in these Actions or in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Order or the Stipulation; (ii) offered against any of the Plaintiffs' Releasing Parties, as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Plaintiffs' Releasing Parties that any of their claims are without merit, that any of the Released Persons had meritorious defenses, or with respect to any liability, negligence, fault, or wrongdoing of any kind, or in any way referred to for any other reason as against any of the Plaintiffs' Releasing Parties in these Actions or in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Order or the Stipulation; or (iii) construed against any of the Released Persons or the Plaintiffs' Releasing Parties as an admission, concession, or presumption that the consideration to be given in accordance with the Stipulation represents the consideration which could be or would have been recovered after trial.

This provision shall remain in force in the event that the Settlement is terminated for any reason whatsoever.

12. If the Settlement is terminated as provided in the Stipulation, or the Effective Date of the Settlement otherwise fails to occur, this Order shall be vacated, rendered null and void, and be of no further force and effect, except as otherwise provided by the Stipulation or this Order, and this Order shall be without prejudice to the rights of Plaintiffs, Individual Defendants, and the Company, and the Parties shall each revert to their respective litigation positions in the Actions as of immediately prior to the execution of the Stipulation.

SO ORDERED this ____ day of _____, 2024.

**LONG-FORM NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF
STOCKHOLDER DERIVATIVE ACTIONS**

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

TO: ALL OWNERS OF THE COMMON STOCK OF CLOVER HEALTH INVESTMENTS, CORP. (“CLOVER” OR THE “COMPANY”) CURRENTLY AND AS OF THE CLOSE OF TRADING ON FEBRUARY 2, 2024 (“CURRENT CLOVER STOCKHOLDERS”).

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. THIS NOTICE RELATES TO A PROPOSED SETTLEMENT AND DISMISSAL OF SHAREHOLDER DERIVATIVE LITIGATIONS AND CONTAINS IMPORTANT INFORMATION REGARDING YOUR RIGHTS. YOUR RIGHTS MAY BE AFFECTED BY THESE LEGAL PROCEEDINGS. IF THE COURT APPROVES THE SETTLEMENT, YOU WILL BE FOREVER BARRED FROM CONTESTING THE APPROVAL OF THE PROPOSED SETTLEMENT AND FROM PURSUING THE RELEASED CLAIMS.

IF YOU HOLD CLOVER COMMON STOCK FOR THE BENEFIT OF ANOTHER, PLEASE PROMPTLY TRANSMIT THIS DOCUMENT TO SUCH BENEFICIAL OWNER.

THIS ACTION IS NOT A “CLASS ACTION.” THUS, THERE IS NO COMMON FUND UPON WHICH YOU CAN MAKE A CLAIM FOR A MONETARY PAYMENT.

YOU ARE HEREBY NOTIFIED, pursuant to an Order of the United States District Court for the Middle District of Tennessee (the "**Court**"), that a proposed settlement ("**Settlement**") has been reached by the parties to the following shareholder derivative actions brought on behalf and for the benefit of Clover: (i) *Sun v. Garipalli*, Case No. 3:21-cv-00311 and *Luthra v. Garipalli*, Case No. 3:21-cv-00320, pending in the Court; (ii) *In re Clover Health Investments, Corp. Derivative Litigation*, Lead Case No. 1:21-cv-00191, pending in the U.S. District Court for the District of Delaware; (iii) *In re Clover Health Investments, Corp. Stockholder Derivative Litigation*, Index No. 655420/2021, pending in the Supreme Court of the State of New

York, County of New York; and (iv) *Davies v. Garipalli, et al.*, C.A. No. 2021-1016-SG, pending in the Delaware Court of Chancery (collectively, the “**Actions**”).

As explained below, a hearing will be held on July 11, 2024 at 4:00 p.m. before the Honorable Aleta A. Trauger, either in person at the United States District Court for the Middle District of Tennessee, Fred D. Thompson U.S. Courthouse and Federal Building, Courtroom 6C, 719 Church Street, Nashville, TN 37203, or by telephone or videoconference (in the discretion of the Court), to determine: (i) whether the terms of the Settlement are fair, reasonable, and adequate and should be approved; (ii) whether a final judgment should be entered; (iii) whether the Court should approve the requested attorneys' fees and reimbursement of expenses to Plaintiffs' Counsel and service awards to Plaintiffs; and (iv) such other actions as may be necessary or proper under the circumstances.¹

The terms of the Settlement are set forth in the Stipulation and Agreement of Settlement (the “Stipulation”) and summarized in this Long-Form Notice. The Stipulation was entered into as of February 2, 2024 by and among the Parties to the Actions. The Settlement provides for the Company to implement enhancements to its corporate governance as described in more detail in paragraph 53 below. Neither the Company nor Clover stockholders will receive any payment from the Settlement. If approved by the Court, the Settlement will fully resolve the Actions, including the dismissal of the Actions with prejudice.

For a more detailed statement of the matters involved in the Actions, the Settlement, and the terms discussed in this Long-Form Notice, a link to the Stipulation and exhibits thereto are available on the Investor Relations section of Clover’s website at <https://investors.cloverhealth.com>.

PLEASE NOTE: STOCKHOLDERS ARE NOT REQUIRED TO TAKE ANY ACTION IN RESPONSE TO THIS NOTICE.

WHAT IS THE PURPOSE OF THIS NOTICE?

1. The purpose of this Notice is to explain the Actions, the terms of the proposed Settlement, and how the proposed Settlement affects Clover stockholders’ legal rights.

2. The Actions are stockholder derivative suits. In a stockholder derivative suit, one or more persons or entities who are current stockholders of a corporation sue on behalf of and for the benefit of the corporation, seeking to enforce the corporation’s legal rights. In the Actions, Plaintiffs have filed suit against the Individual Defendants on behalf of and for the benefit of Clover. The Settlement will result in changes to the Company’s corporate governance, not in payments to individuals, thus obviating the need for a claims procedure.

¹ All capitalized terms not otherwise defined in this Long-Form Notice shall have the meaning provided in the Stipulation, a copy of which is being filed, together with this Long-Form Notice and other exhibits to the Stipulation, as an attachment to the Company’s 8-K dated April 4, 2024.

3. The Court has scheduled a hearing to consider the fairness, reasonableness, and adequacy of the Settlement and the requested attorneys' fees for and reimbursement of expenses to Plaintiffs' Counsel (the "**Settlement Hearing**"). See paragraphs 61-71 below for details about the Settlement Hearing, including the location, date, and time of the hearing.

WHAT IS THIS CASE ABOUT? WHAT HAS HAPPENED
SO FAR?

THE FOLLOWING DESCRIPTION OF THE ACTIONS AND THE SETTLEMENT HAS BEEN PREPARED BY COUNSEL FOR THE PARTIES. NO COURT PRESIDING OVER ANY OF THE ACTIONS HAS MADE ANY FINDINGS WITH RESPECT TO SUCH MATTERS, AND THIS NOTICE IS NOT AN EXPRESSION OR STATEMENT BY ANY COURT OF FINDINGS OF FACT.

4. The Actions assert claims for breach of fiduciary duty and related causes of action in connection with the merger of special purpose acquisition company ("**SPAC**") Social Capital Hedosophia Holdings Corp. III ("**SCH**") with Clover's predecessor, Clover Investments Corp ("**Legacy Clover**"), and related alleged post-merger conduct. Plaintiffs contend that, motivated by the prospect of unlocking gains of more than \$320 million on "Founder Shares," the Individual Defendants duped shareholders into approving a de-SPAC merger with Legacy Clover, in which SCH paid \$500 million of the \$720 million collected in SCH's initial public offering to acquire a minority stake in Clover, the merged entity, through a series of misrepresentations about the nature, value, and regulatory risks of Legacy Clover's business model. Plaintiffs contend similar misrepresentations continued to be published following the merger.²

A. The Tennessee Action

5. On April 19, 2021, plaintiff Sun filed a Verified Shareholder Derivative Complaint asserting claims for breaches of fiduciary duty, aiding and abetting breaches of fiduciary duty, unjust enrichment, abuse of control, gross mismanagement, and waste of corporate assets under Delaware law, for violations of Section 14(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), and for contribution under Sections 10(b) and 21D of the Exchange Act and Section 11(f) of the Securities Act of 1933, captioned *Sun v. Garipalli, et al.*, No. 3:21-cv-00311 (M.D. Tenn.) ("**Sun Action**").

6. On April 21, 2021, plaintiff Luthra filed a Shareholder Derivative Complaint predicated on similar allegations, captioned *Luthra v. Garipalli, et al.*, No. 3:21-cv-00320 (M.D. Tenn.) ("**Luthra Action**").

² A series of related securities class actions predicated on similar allegations were commenced in this Court and later consolidated under the caption, *Bond, et al. v. Clover Health Investments, Corp., et al.*, No. 3:21-cv-00096 (M.D. Tenn.) (the "**Securities Action**"). On October 3, 2023, the U.S. District Court for the Middle District of Tennessee approved the settlement of the Securities Action, entered judgment thereon, and ordered the case dismissed with prejudice. Securities Action, ECF Nos. 146, 147.

7. On May 7, 2021, the parties filed a stipulation and proposed order to consolidate the *Sun* Action and *Luthra* Action and to appoint The Brown Law Firm, P.C. and The Rosen Law Firm, P.A. as co-lead counsel for the Tennessee Plaintiffs (ECF No. 11), which the Court entered on May 10, 2021 (ECF No. 13).

8. On July 2, 2021, the Court entered a stipulated order staying the Tennessee Action pending a final decision on the defendants' motion to dismiss in the Securities Action (ECF No. 22). The order required the Company to produce to the Tennessee Plaintiffs any documents produced in response to another shareholder's related "'books and records' demand pursuant to Section 220 of the Delaware General Corporation Law, 8 Del. C. § 220" ("**Section 220**") or any other documents produced "to a plaintiff in a substantially similar shareholder derivative action or to plaintiffs in the [Securities Action,]" subject to "the execution of a confidentiality agreement governing [] use and disclosure[.]" *Id.* On October 11, 2021, the parties to the Tennessee Action entered into a confidentiality agreement. Shortly after the confidentiality agreement was executed, the Company provided documents that had been produced in response to a Section 220 inspection demand, which the Tennessee Plaintiffs reviewed.

9. On November 30, 2021, the Tennessee Plaintiffs filed a Verified Consolidated Shareholder Derivative Complaint leveraging the Section 220 documents and allegations in the first amended complaint filed in the Securities Action (the "**Amended Complaint**") (ECF Nos. 23, 25).

10. On June 10, 2022, the Company produced and the Tennessee Plaintiffs reviewed additional documents produced in response to a Section 220 inspection demand.

11. On March 24, 2023, following the denial of the motion to dismiss in the Securities Action, the Tennessee Plaintiffs informed the Court that the stay of the Tennessee Action had terminated, and asked the Court to set a deadline for Defendants to answer or otherwise respond to the Amended Complaint (ECF No. 27). On March 30, 2023, the parties submitted a stipulated proposed schedule, which the Court adopted on March 31, 2023 (ECF Nos. 28, 29). The order set deadlines for briefing any motion to dismiss the Amended Complaint; provided for the production of all documents and written discovery produced, and transcripts of any depositions taken, in the Securities Action; and set January 31, 2024, as the deadline for service of all interrogatories and requests for the production of documents in the Tennessee Action. *Id.*

12. On April 4, 2023, the Company produced and the Tennessee Plaintiffs thereafter reviewed additional documents that had been produced in the Securities Action.

13. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Amended Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (ECF Nos. 30-35).

B. The Delaware Federal Action

14. On February 10, 2021, plaintiff Fuhrman filed a shareholder derivative complaint in the Delaware Federal Court alleging claims for breach of fiduciary duty and waste of corporate assets under Delaware law, and for violations of sections 10(b) and 21D of the Exchange Act

against certain of the Individual Defendants, captioned *Fuhrman v. Garipalli, et al.*, No. 1:21-cv-00191-LPS (“**Fuhrman Action**”) (*Fuhrman Action*, ECF No. 1).

15. On June 10, 2021, the *Fuhrman* parties filed a stipulation and proposed order (i) staying *Fuhrman* pending a final decision on the motion to dismiss the Securities Action; (ii) appointing Gainey McKenna & Egleston (“GM&E”) interim lead counsel for plaintiff *Fuhrman*; and (iii) requiring Defendants to produce to plaintiff *Fuhrman* any documents produced to any other shareholder in response to a related Section 220 demand and any other documents produced to shareholders in related derivative actions or in the Securities Action, subject to the execution of a confidentiality agreement governing use and disclosure. (*Fuhrman Action*, ECF No. 4). The Delaware Federal Court entered the stipulated order the following day.

16. On July 21, 2021, plaintiff Wiegand filed a substantially similar shareholder derivative complaint in the Delaware Federal Court captioned, *Wiegand v. Garipalli, et al.*, No. 1:21-cv-01053-LPS (“**Wiegand Action**”).

17. On September 14, 2021, the Delaware Federal Action plaintiffs filed a stipulation and proposed order requesting, *inter alia*, that the Delaware Federal Court: (i) consolidate *Fuhrman Action* and *Wiegand Action* (forming the consolidated “**Delaware Federal Action**”); (ii) appoint GM&E and Levi & Korsinsky, LLP as co-lead counsel, and Bielli & Klauder, LLC as liaison counsel for the Delaware Federal Action plaintiffs; and (iii) stay the Delaware Federal Action (Delaware Federal Action, ECF No. 5). The Delaware Federal Court entered the requested order on September 16, 2021.

18. On October 7, 2021, the Delaware Federal Action plaintiffs and the Company entered into an agreement governing the confidential treatment and use of documents produced to other shareholders in related matters and to be provided to the Delaware Federal Action plaintiffs.

20. On April 19, 2022, the Delaware Federal Action plaintiffs filed a Verified Shareholder Consolidated Derivative Complaint leveraging the Section 220 documents (Delaware Federal Action, ECF Nos. 7, 8).

21. On April 29, 2022, the parties filed a stipulation and proposed order extending the temporary stay to July 28, 2022, which the Court granted (Delaware Federal Action, ECF Nos. 9, 10).

22. On June 10, 2022, the Company produced additional Section 220 documents, which the Delaware Federal Action plaintiffs reviewed and evaluated.

23. On August 4, 2022, the parties filed a stipulation and proposed order extending the temporary stay to facilitate continued settlement negotiations, following a global mediation session attended by parties to all of the related derivative Actions (Delaware Federal Action, ECF No. 12). The Court entered an order extending the stay of the Delaware Federal Action to November 2, 2022 (Delaware Federal Action, ECF No. 13).

24. On March 30, 2023, the parties filed a notice that the stay had terminated, along with a proposed order setting deadlines for Defendants to answer or otherwise move in response to the complaint (Delaware Federal Action, ECF No. 14).

25. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (Delaware Federal Action, ECF Nos. 16-18).

C. The New York Action

26. On September 10, 2021, plaintiff Sankaranarayanan filed a shareholder derivative complaint in the New York Court asserting claims for breach of fiduciary duty and unjust enrichment under New York law against certain of the Individual Defendants, captioned *Sankaranarayanan v. Palihapitiya, et al.*, Index No. 655420/2021 ("**Sankaranarayanan Action**").

27. On October 15, 2021, plaintiff Sankaranarayanan filed a request for judicial intervention seeking assignment to the Commercial Division. The *Sankaranarayanan* Action was thereafter assigned to the Honorable Andrew Borrok, Commercial Division Part 53.

28. On November 18, 2021, the parties filed a stipulation and proposed order requesting that the New York Court temporarily stay proceedings to permit the parties to evaluate case management in light of developments in the related Securities, Tennessee, and Delaware Federal Actions.

29. On December 14, 2021, after negotiating the production of non-public, Board-level and related materials in response to a Section 220 demand to inspect Clover books and records, plaintiff Uvaydov filed a related shareholder derivative complaint in the New York Court, captioned *Uvaydov v. Palihapitiya, et al.*, Index No. 656978/2021 ("**Uvaydov Action**"), asserting claims for breach of fiduciary duty and related causes of action under New York law.

30. Following consultations among counsel, on February 2, 2022, the parties to the *Sankaranarayanan* Action and the *Uvaydov* Action filed a stipulation and proposed order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action and, providing for coordinated leadership among plaintiffs' counsel, acknowledging service, and temporarily staying further proceedings pending completion of consultations among the parties' counsel regarding case management and scheduling.

31. On August 19, 2022, the New York Court entered an order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action (forming the consolidated "New York Action"); appointing Robbins LLP as plaintiffs' lead counsel, the Law Offices of Thomas G. Amon as plaintiffs' liaison counsel, and establishing an executive committee consisting of Robbins LLP and Morris Kandinov LLP; and adopting the parties' service agreement.

32. The New York Court declined to stay further proceedings and instead scheduled a preliminary conference for November 16, 2022.

33. On November 3, 2022, the New York Action plaintiffs filed a Consolidated Shareholder Derivative Complaint for Breach of Fiduciary Duty and Unjust Enrichment (the “**New York Complaint**”), which supplemented the original *Sankaranarayanan* Action and *Uvaydov* Action’s complaints’ allegations leveraging the Section 220 documents secured by plaintiff Uvaydov.

34. On November 9, 2022, the New York Action plaintiffs filed a stipulation and proposed order for the production and exchange of confidential information, which the New York Court entered on November 29, 2022. Thereafter, in connection with the anticipated global mediation, the parties to the New York Action exchanged additional confidential information bearing on the merits of the claims and potential defenses to the New York Action, and related insurance matters, which ultimately included all documents produced in the related Securities Action.

35. In early November 2022, counsel for the parties to the New York Action met and conferred regarding case management and scheduling issues in anticipation of the preliminary conference then scheduled for November 16, 2022. Defendants in the New York Action requested that the New York Court adjourn the preliminary conference pending the outcome of motions for partial summary judgment in related insurance coverage litigation pending in the Chancery Court, which relief the New York Action plaintiffs did not oppose. The New York Court adjourned the preliminary conference. Thereafter, the parties participated in a status conference on November 30, 2022, following which the New York Court entered an order resetting the preliminary conference for February 28, 2023.

36. The parties met and conferred and submitted an agreed-to discovery and pre-trial schedule for the New York Court’s consideration at the preliminary conference. At the preliminary conference, the New York Court considered the parties’ proposals for sequential briefing on a series of defense motions relating to jurisdiction, venue, and pleadings challenges, and defendants committed to producing to the New York Action plaintiffs all documents and written discovery and transcripts of any depositions taken in the related Securities Action. Clover subsequently made a number of productions, which counsel for the New York Action plaintiffs reviewed and evaluated in connection with preparation of an amended consolidated complaint and settlement discussions.

37. On April 24, 2023, the New York Court entered a case management order establishing deadlines for motions to dismiss, discovery, summary judgment, and other pre-trial matters. Among other matters, the case management order required defendants in the New York Action to serve any motion to dismiss the New York Complaint by May 5, 2023, set a compliance conference for August 14, 2023, and further required the parties to file a notice of issue/certificate of trial readiness on or before July 28, 2024.

38. On May 2, 2023, May 22, 2023, and July 5, 2023, the New York Court entered stipulated orders extending defendants’ deadline to respond to the New York Complaint in order to facilitate the parties’ ongoing mediator-supervised settlement negotiations. After the Parties executed a binding memorandum of understanding setting forth the material substantive terms of an agreement in principle to settle the Actions, the New York Court entered a stipulated order continuing the compliance conference to September 29, 2023, to provide the Parties time to resolve

outstanding issues and to prepare a formal stipulation of settlement. The New York Court subsequently granted additional continuances to permit the Parties to finalize the Settlement.

D. The Delaware Chancery Action

39. On June 14, 2021, plaintiff Davies issued a Section 220 demand to inspect Clover's books and records. Following negotiations and execution of a confidentiality agreement, on September 24, 2021, the Company produced non-public, Board-level materials. After analyzing the production, Davies sought additional documents. Clover made additional materials available on October 27 and November 4, 2021.

40. On November 30, 2021, plaintiff Davies filed a shareholder derivative complaint under seal in the Chancery Court, incorporating the Section 220 documents and other confidential information.

41. Clover sought a stay pending resolution of the motion to dismiss in the Securities Action, and on January 19, 2022, the parties submitted a stipulation providing for such a stay, which was entered as the order of the court.

42. On April 29, 2022, the parties to the Delaware Chancery Action filed a stipulation to extend the temporary stay, through July 28, 2022, to permit the parties to focus their efforts on the global mediation scheduled for July 19, 2022, which the court approved on May 5, 2022.

43. On May 15, 2023, the parties filed a joint status report regarding the continuing global settlement negotiations, and a proposed schedule for briefing on defendants' motion to dismiss.

44. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation.

E. Settlement Negotiations

45. In July 2022, the Parties agreed to participate in an in-person global mediation session in New York City to attempt to resolve and settle the Actions (the "**First Mediation**"). The First Mediation was set for July 19, 2022 before Jed D. Melnick, Esq., an experienced JAMS ADR mediator (the "**Mediator**").

46. On July 8, 2022, counsel for the Parties commenced a series of exchanges of confidential information in anticipation of the First Mediation. Clover circulated a mediation statement addressing Plaintiffs' factual allegations and legal contentions, and outlining various pleadings challenges and substantive defenses. Plaintiff Davies submitted a mediation statement addressing the facts, legal claims and damages to the Company, and a settlement demand with monetary and non-monetary components, including proposals for corporate governance enhancements designed to prevent recurrence of the alleged wrongdoing. The Tennessee Plaintiffs and the Delaware Federal Action plaintiffs jointly submitted a settlement demand summarizing damages and proposing a settlement framework that included corporate governance enhancements

and a monetary payment to the Company. The New York Action plaintiffs submitted a settlement demand letter on July 18, 2022 summarizing the facts bearing on various theories of liability and damages, and demanding monetary compensation for the Company and corporate governance reform.

47. The First Mediation took place as scheduled on July 19, 2022. By day's end it was clear that much more work would be required to reach a settlement agreement, and the Parties agreed to schedule a second mediation session.

48. On August 1, 2022, the Parties participated in a second day-long mediation session overseen by the Mediator ("**Second Mediation**"). Progress was made, but the Parties were unable to reach agreement. The Parties agreed to continue their negotiations with the assistance of the Mediator.

49. In the months following the First and Second Mediations, the Parties continued to engage in hard fought, arm's-length settlement negotiations through e-mails and teleconferences, with the assistance of the Mediator. The negotiations regarding an appropriate remedial framework took many weeks. Once a mutually acceptable remedial framework was established, the Parties negotiated the details of the substantive consideration over the ensuing months. In the course of the negotiations, the Parties exchanged dozens of proposals and counter-proposals, carefully evaluated the implications of confidential information Clover shared with Plaintiffs' counsel regarding Clover's finances and operational performance, the available directors and officers insurance ("D&O insurance"), and developments in the related coverage litigation and Securities Action, and challenged each other's theories, allegations, and contentions of law and fact.

50. In early summer 2023, the Parties reached an agreement in principle regarding the material substantive consideration for the Settlement, and thereafter negotiated the terms of a memorandum of understanding, including, *inter alia*, release language and provisions for notice to shareholders. The Parties executed the memorandum of understanding on June 21, 2023.

51. After reaching agreement on the material substantive terms of the Settlement, the Parties, with the assistance of the Mediator, separately negotiated and reached an agreement regarding the attorneys' fees and expenses that would be payable to Plaintiffs' Counsel commensurate with the Settlement's substantial benefits, subject to the Court's approval. The Parties concurrently negotiated this Stipulation detailing the Settlement's operational terms and conditions.

52. On March 5, 2024, the Court preliminarily approved the Settlement, authorized this Notice to be provided to Current Clover Stockholders, and scheduled the Settlement Hearing to consider whether to grant final approval of the Settlement.

WHAT ARE THE TERMS OF THE SETTLEMENT?

53. In consideration of the full settlement and release of the Released Claims (defined in paragraph 56 below) against the Released Persons (defined in paragraph 56 below) and the dismissal with prejudice of the Tennessee Action, Defendants will cause the Company to adopt

the following enhancements to the Company's governance and oversight over its compliance and audit functions:

- I. The Board shall designate an independent, non-employee director as Lead Independent Director ("LID"). The LID shall, in conjunction with the Board's Nominating and Corporate Governance Committee ("the Governance Committee"), oversee adoption, implementation and compliance with the Enhancements.
- II. Board Refreshment and Independence:
 1. Clover will appoint one new independent director to the Board who qualifies as financially sophisticated under NASDAQ rules and shall be identified through a search conducted by the independent directors on the Governance Committee with the assistance of an independent search firm. The sixty-day provision above notwithstanding, Clover will make reasonable best efforts to appoint this director within one hundred twenty (120) days of the Effective Date.
 2. Clover acknowledges that the initiation and pendency of the derivative Actions was a substantial and material factor in the appointments of Dr. Carladenise Armbrister Edwards and Dr. Anna U. Loengard as independent directors in July 2022 and November 2022, respectively.
 3. The Board shall utilize the following procedures for the recruitment and addition of the new independent director:
 - A. The Governance Committee shall review the Board's current array of skills, expertise, experience, and other relevant qualities ("Skills Matrix") and identify areas for improvement and development.
 - B. The Company will post the Skills Matrix to the Investor Relations section of its website.
 - C. The Governance Committee will retain an independent corporate governance expert to receive input to identify qualities to seek in director candidates.
 - D. The Governance Committee will engage an independent search firm, to identify prospective candidates for the new independent director position in keeping with the qualities identified above.
 - E. The Governance Committee Chair will review the prospective candidates identified and work together with the independent corporate governance expert to select those candidates to be forwarded to the full Governance Committee for consideration. This review, including background information and interviews of prospective candidates, will be conducted with respect to all candidates who express their consent to being considered and to

serving as a director. No fewer than five (5) qualified director candidates will be sent to the Governance Committee for review.

- F. Once the candidates are identified by the Governance Committee Chair and considered by the full Governance Committee, the Board shall meet with the candidates and, subject to its fiduciary duties and judgment, nominate a candidate for election to the Board or, if no stockholders' meeting is scheduled in the next ninety (90) days or if the proxy statement for such meeting has already been filed with the SEC, the Board shall elect a candidate to fill any Board vacancies until such future meeting is held and the candidate can be nominated for election by stockholders. If the Board does not select one of the identified candidates, then the process set forth in this section shall be repeated until the Board elects a candidate meeting the qualifications set forth herein.
 - G. If a director put in place through this process is no longer able to serve on the Board, the process described above shall be repeated for the selection of a replacement director.
- 4. The Board will adopt a policy providing that directors may serve on not more than three (3) other public company boards.
 - 5. The Board will adopt a policy requiring that the Board's (i) Audit Committee, (ii) Talent and Compensation Committee (the "Compensation Committee"), and (iii) Governance Committee be comprised of a majority of independent directors.
 - 6. The Board will amend Section 3.5 of the Company's Corporate Governance Guidelines (amended and restated as of November 8, 2021, the "Governance Guidelines") to require that a majority of the members of the Board be independent within the meaning of NASDAQ listing standards, and, in addition, that a director will not be considered independent if the director is:

2. The program shall include the Company's Related Person Transactions Policy and protocols for seeking advice and guidance from the GC, and when and how matters should be escalated to the Conflicts Committee and Audit Committee for evaluation and decision-making as provided herein.
3. The GC shall be authorized and provided the resources necessary to retain external consultants and vendors as the GC deems necessary and appropriate to develop and implement the training program.
4. Following an initial training program to be conducted within six (6) months of the Effective Date, supplemental training programs shall be conducted every two (2) years.
5. Training shall be mandatory for all Section 16 reporting officers and directors, and optional for members of the Disclosure Committee.
6. Training shall include, but not be limited to, coverage of pertinent GAAP principles and the laws and regulations regarding public disclosures, including RPTs and related considerations, and the operation and function of Clover's internal controls over accounting and financial reporting.

XXIV. Whistleblower and Complaint Policy

1. The Company will maintain and extend its Whistleblower and Complaint Policy, set forth in Appendix C. The Company shall remind employees of whistleblower options and whistleblower protections in employee communications provided at least twice a year and via the Company's intranet.

XXV. Executive Officer Ownership Guidelines

1. The Company adopted an Executive Officer Minimum Stock Holding Policy in March 2023 (the "Minimum Stock Holding Policy"), as set forth in Appendix D.

XXVI. Adoption of New Recoupment Policy Consistent with NASDAQ Guidelines

1. The Company adopted a Recoupment Policy in March 2023, as set forth in Appendix E.

WHAT ARE THE PARTIES' REASONS FOR THE SETTLEMENT?

54. Plaintiffs and Plaintiffs' Counsel believe that the claims raised in the Actions have substantial merit. Plaintiffs' entry into the Stipulation is not intended to be and shall not be construed as an admission or concession concerning the relative strength or merit of the claims alleged in the Actions. Plaintiffs and Plaintiffs' Counsel recognize and acknowledge, however, the significant risk, expense, and duration of continued proceedings necessary to prosecute the derivative claims against the Individual Defendants through trial(s) and possible appeals, and uncertain outcome and the risks of further litigation, problems of proof, and the significant costs and distractions such litigation would impose on the Company. Based on Plaintiffs' Counsel's thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, which are detailed in the Stipulation, Plaintiffs' Counsel believe that the Settlement is fair, reasonable, and adequate, and confers substantial benefits upon Clover and its stockholders.

55. Defendants deny that they have committed or engaged in any wrongdoing or violation of law whatsoever. Defendants further deny each and all of the claims and contentions alleged by Plaintiffs in the Actions. The Individual Defendants have expressly denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged in the Actions. Defendants have concluded that it is desirable for the Actions to be fully and finally settled in the matter upon the terms and conditions set forth in the Stipulation, taking into account the uncertainty and risks inherent in complex litigation, the costs of defense, and the distraction of key members of management and the Board from the business of the Company. Defendants have, therefore, determined that it is in the best interests of Clover for the Actions to be settled in the manner and upon the terms and conditions set forth in the Stipulation. Defendants' entry into the Stipulation shall not be construed as or deemed to be evidence of an admission or concession by Defendants regarding any claim of fault, liability, wrongdoing, or damage whatsoever.

WHAT WILL HAPPEN IF THE SETTLEMENT IS APPROVED? WHAT CLAIMS WILL THE SETTLEMENT RELEASE?

56. If the Settlement is approved, the Parties will request that the Court enter the [Proposed] Judgment Approving Settlement of Derivative Actions (the "**Judgment**"). Pursuant to the Judgment, upon the Effective Date of the Settlement, the following releases will occur:

Release of Claims by Plaintiffs: Upon the Effective Date, the Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Claims against the Released Persons. Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue any Released Person with respect to any Released Claims, and shall be permanently barred and enjoined from instituting, commencing, or prosecuting the Released

Claims against the Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

“Plaintiffs’ Releasing Parties” means: Plaintiffs, Clover, and each and every Clover stockholder, and their heirs, successors, representatives, assigns, and beneficiaries, and any Person or entity that could assert any of the Released Claims on their behalf.

“Released Claims” means: all claims or causes of action (including known and Unknown Claims), whether based on federal, state, local, or statutory or common law, in equity, or on any other law, rule, regulation, ordinance, contract, or the law of any foreign jurisdiction, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, including, but not limited to, any claims for damages, injunctive relief, interest, attorneys’ fees, expert, or consulting fees, and any and all other costs, expenses, or liabilities whatsoever, that: (i) were asserted or could have been asserted derivatively in the Actions; (ii) would have been barred by res judicata had the Actions been fully litigated to final judgment; (iii) have been, could have been, or could in the future be, asserted derivatively or by Clover directly in any forum or proceeding, against any of the Released Persons that concern, are based upon, involve, or arise out of, or relate to any of the subject matters, allegations, transactions, facts, events, occurrences, disclosures, representations, statements, omissions alleged, acts, failures to act, alleged mismanagement, misconduct, concealment, alleged misrepresentations, alleged violations of local, state or federal law, sale of stock, or other matters involved, set forth, or referred to in the complaints in the Actions; or (iv) arise out of, relate to, or concern the defense, settlement, or resolution of the Actions or the Released Claims. “Released Claims” shall not include: (i) claims to enforce the terms of the Stipulation and/or the Judgment; (ii) exclusively direct claims (i.e., as opposed to derivative claims) Clover stockholders other than Plaintiffs may have in an individual capacity against Defendants; (iii) claims or causes of action of Clover against any of its current or former employees (other than current or former officers and directors), agents, or consultants arising out of any breach of an obligation, contractual or otherwise, owed to Clover or any of its affiliates; (iv) direct claims made in the Securities Action; or (v) claims any Plaintiff may have as a member of the class represented in the Securities Action pursuant to any plan of allocation as may be approved by the Court.

“Released Persons” means: Defendants, Defendants’ Counsel and each and all of their past, present, or future family members, spouses, domestic partners, associates, affiliates, subsidiaries, parents, officers, directors, stockholders, owners, members, representatives, employees, attorneys, financial or investment advisors, consultants, underwriters, investment banks or bankers, commercial bankers, insurers, reinsurers, excess insurers, co-insurers, advisors, principals, agents, heirs, executors, trustees, estates, beneficiaries, distributees, foundations, general or limited partners or partnerships, joint ventures, personal or legal representatives, administrators, or any other Person or entity acting or purporting to act for or on behalf of any Defendant, and each of their respective predecessors, successors, and assigns.

Release of Claims by Defendants: Upon the Effective Date, the Released Persons shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished and discharged each and all of Defendants’ Released Persons from Defendants’ Released Claims. The Released Persons shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue Defendants’ Released Persons with respect to any of Defendants’

Released Claims, and shall be permanently barred and enjoined from instituting, commencing or prosecuting Defendants' Released Claims against Defendants' Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

"Defendants' Released Claims" means: any and all manner of claims or causes of action (including known and Unknown Claims), whether based on federal, state, local, statutory or common law, in equity, or on any other law, rule, regulation, ordinance, contract, or the law of any foreign jurisdiction, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, including, but not limited to, any claims for damages, injunctive relief, interest, attorneys' fees, expert, or consulting fees, and any and all other costs, expenses, or liabilities whatsoever, that could be asserted in any forum by any of the Released Persons against Defendants' Released Persons, arising out of, relating to, or in connection with the institution, prosecution, assertion, settlement, or resolution of the Actions or the Released Claims. "Defendants' Released Claims" shall not include claims to enforce the terms of the Stipulation and/or the Judgment.

"Defendants' Released Persons" means: Plaintiffs, Plaintiffs' Counsel, and each and all of their past, present, or future family members, spouses, domestic partners, parents, associates, affiliates, subsidiaries, officers, directors, stockholders, owners, members, representatives, employees, attorneys, financial or investment advisors, consultants, underwriters, investment banks or bankers, commercial bankers, insurers, reinsurers, excess insurers, co-insurers, advisors, principals, agents, heirs, executors, trustees, estates, beneficiaries, distributees, foundations, general or limited partners or partnerships, joint ventures, personal or legal representatives, administrators, or any other Person or entity acting or purporting to act for or on behalf of any Plaintiff or any counsel for any Plaintiff, and each of their respective predecessors, successors, and assigns, Clover, and all Clover stockholders (solely in their capacity as Clover stockholders).

57. By Order of the Court, all proceedings in the Tennessee Action, other than proceedings necessary to carry out or enforce the terms and conditions of the Stipulation, have been stayed until otherwise ordered by the Court. Also, pending final determination of whether the Settlement should be finally approved, the Court has barred and enjoined the Tennessee Plaintiffs, the Company, and any Current Clover Stockholders from commencing or prosecuting any action asserting any of the Plaintiffs' Released Claims against any of the Released Persons in any court or tribunal.

HOW WILL THE ATTORNEYS BE PAID?

58. After negotiating the material substantive terms of the Settlement, Plaintiffs' Counsel and counsel for Clover, with the assistance of the Mediator, separately negotiated a reasonable amount in attorney's fees and expenses to be paid to Plaintiffs' Counsel commensurate with the value of the substantial benefits conferred upon Clover and Current Clover Stockholders through the Enhancements and the risks assumed by Plaintiffs' Counsel in pursuing the Actions on a wholly contingent basis. Clover, acting by and through its Board, has agreed that Plaintiffs' Counsel are entitled to an award of reasonable attorneys' fees and expenses in the amount of \$2,500,000 (the "Fee and Expense Amount"), subject to Court approval. To date, Plaintiffs'

Counsel have neither received any payment for their services in conducting the Actions, nor have counsel been reimbursed for their out-of-pocket expenses incurred.

59. As part of the Settlement and subject to the Court's approval, Plaintiffs' Counsel may apply to the Court for service awards of up to \$3,000 for each of the seven Plaintiffs in recognition of Plaintiffs' participation and effort in the initiation, prosecution, and settlement of the Actions, which, if approved by the Court, shall be paid by Plaintiffs' Counsel out of the attorneys' fees and expenses approved by the Court.

60. Any Court-approved fee and expense award to Plaintiffs' Counsel will be paid by or on behalf of Clover. Clover stockholders are not personally liable for the payment of any award of fees or expenses to Plaintiffs' Counsel.

WHEN AND WHERE WILL THE SETTLEMENT FAIRNESS HEARING BE HELD?
DO I HAVE THE RIGHT TO APPEAR AT THE SETTLEMENT FAIRNESS
HEARING? MAY I OBJECT TO THE SETTLEMENT AND SPEAK AT THE
HEARING IF I DO NOT LIKE THE SETTLEMENT?

61. You do not need to attend the Settlement Hearing. The Court will consider any submission made in accordance with the provisions below even you do not attend the Settlement Hearing.

62. Please Note: The date and time of the Settlement Hearing may change without further written notice to Current Clover Stockholders, or the Court may decide to conduct the Settlement Hearing by video or telephonic conference, or otherwise allow Current Clover Stockholders to appear at the hearing by telephone or video, without further written notice to Current Clover Stockholders. **In order to determine whether the date and time of the Settlement Hearing have changed, or whether Current Clover Stockholders must or may participate by telephone or video, it is important that you monitor the Court's docket and the "Investor Relations" section of Clover's website, <https://investors.cloverhealth.com>, before making any plans to attend the Settlement Hearing. Also, if the Court requires or allows Current Clover Stockholders to participate in the Settlement Hearing by telephone or video conference, the information needed to access the conference will be posted to the "Investor Relations" section of Clover's website, <https://investors.cloverhealth.com>.**

63. The Settlement Hearing will be held on **July 11, 2024 at 4:00 p.m.**, before the Honorable Aleta A. Trauger, either in person at the United States District Court for the Middle District of Tennessee, Fred D. Thompson U.S. Courthouse and Federal Building, Courtroom 6C, 719 Church Street, Nashville, TN 37203, or by telephone or videoconference (in the discretion of the Court) to, among other things: (i) determine whether the proposed Settlement, on the terms and conditions provided for in the Stipulation, is fair, reasonable, and adequate, and should be approved by the Court; (ii) determine whether the Judgment, substantially in the form attached as Exhibit D to the Stipulation, should be entered dismissing the Action with prejudice;

(iii) determine whether of the agreed-to attorneys' fees and expenses to Plaintiffs' Counsel should be approved; and (iv) rule on such other matters as the Court may deem appropriate.

64. Any Current Clover Stockholder who continues to own shares of Clover common stock through the date of the Settlement Hearing may object to the Settlement and/or of the requested attorneys' fees and expenses to Plaintiffs' Counsel. Objections must be signed and in writing. You must file any written objection, together with copies of all other papers and briefs supporting the objection, with the Clerk's Office at the United States District Court for the Middle District of Tennessee at the address set forth below **no later than June 20, 2024**. 69. You are not required to hire an attorney to represent you in making written objections or in appearing at the Settlement Hearing. SHORT-FORM NOTICE OF PROPOSED SETTLEMENT OF DERIVATIVE ACTIONS

TO: ALL OWNERS OF THE COMMON STOCK OF CLOVER HEALTH INVESTMENTS, CORP. (“CLOVER” OR THE “COMPANY”) CURRENTLY AND AS OF THE CLOSE OF TRADING ON FEBRUARY 2, 2024 (“CURRENT CLOVER STOCKHOLDERS”).

Please read this Summary Notice carefully and in its entirety as your rights may be affected by proceedings in this litigation.

YOU ARE HEREBY NOTIFIED, pursuant to an Order of the United States District Court for the Middle District of Tennessee (the “Court”), that the above-captioned stockholder derivative actions are being settled on the terms set forth in the in the Stipulation and Agreement of Settlement dated February 2, 2024 (the “Stipulation”).¹ The Settlement also releases related claims arising from the same facts asserted in the derivative actions captioned *In re Clover Health Investments, Corp. Derivative Litigation*, Lead Case No. 1:21-cv-00191, pending in the U.S. District Court for the District of Delaware; *In re Clover Health Investments, Corp. Stockholder Derivative Litigation*, Index No. 655420/2021, pending in the Supreme Court of the State of New York, County of New York; and *Davies v. Garipalli, et al.*, C.A. No. 2021-1016-SG, pending in the Delaware Court of Chancery (collectively, the “Actions”).

The Actions are brought by Plaintiffs solely on behalf of and for the benefit of Clover, asserting claims against the Individual Defendants. Plaintiffs generally allege, among other things, that the Individual Defendants breached their fiduciary duties and were unjustly enriched in connection with alleged wrongdoing involving the merger of special purpose acquisition company (“SPAC”) Social Capital Hedosophia Holdings Corp. III (“SCH”) with Clover’s predecessor, Clover Investments Corp (“Legacy Clover”), and related post-merger conduct. Plaintiffs contend that, motivated by the prospect of unlocking gains of more than \$320 million on “Founder Shares,” the Individual Defendants duped shareholders into approving a de-SPAC merger with Legacy Clover, in which SCH paid \$500 million of the \$720 million collected in SCH’s initial public offering to acquire a minority stake in Clover, the merged entity, through a series of misrepresentations about the nature, value, and regulatory risks of Legacy Clover’s business

¹ All capitalized terms that are not otherwise defined shall have the definitions set forth in the Stipulation.

model. Plaintiffs contend similar misrepresentations continued to be published following the merger.

Pursuant to the terms of the Settlement, Clover agrees to implement and maintain certain corporate governance reforms that are outlined in Exhibit A to the Stipulation (the “**Enhancements**”). The Enhancements will be maintained until earlier of (i) forty-two (42) months following final approval of the Settlement by the Court, and (ii) the next date, if any, when the Company is no longer listed on a national securities exchange, subject to certain terms set forth in the Stipulation. The Parties agree that Plaintiffs’ efforts and actions were substantial and material factors in the Company’s agreement to implement and maintain the Enhancements, and that the Enhancements confer a substantial benefit on the Company and its stockholders.

In light of the substantial benefits conferred upon Clover by Plaintiffs’ Counsel’s efforts, Clover has agreed to pay, or cause to be paid, attorneys’ fees and expenses to Plaintiffs’ Counsel in the total amount of \$2,500,000, subject to approval of the Court. Plaintiffs’ Counsel may also apply to the Court for service awards of up to \$3,000 for each of the seven Plaintiffs in recognition of Plaintiffs’ participation and effort in the initiation, prosecution, and settlement of the Actions, which, if approved by the Court, shall be paid out of any award of attorneys’ fees and expenses approved by the Court.

The Court will hold a hearing on **July 11, 2024, at 4:00 p.m.**, before the Honorable Aleta A. Trauger, either in person at the United States District Court for the Middle District of Tennessee, Fred D. Thompson U.S. Courthouse and Federal Building, Courtroom 6C, 719 Church Street, Nashville, TN 37203, to determine: (i) whether the Settlement should be approved as fair, reasonable, and adequate; (ii) whether a final judgment should be entered; (iii) whether the Court should approve the requested attorneys’ fees for and reimbursement of expenses to Plaintiffs’ Counsel and service awards to Plaintiffs; and (iv) such other actions as may be necessary or proper under the circumstances. ***Because this is not a class action, except as otherwise provided for in the Stipulation with respect to the Plaintiffs, no other Clover stockholder has the right to receive any individual compensation as a result of the Settlement.***

This Short-Form Notice provides a condensed overview of certain provisions of the Stipulation and the Long-Form Notice of Pendency and Proposed Settlement of Stockholder Derivative Actions. It is not a complete statement of the events of the Actions or the terms set forth in the Settlement. This Short-Form Notice should be read in conjunction with, and is qualified in its entirety by reference to, the text of the Stipulation, which contains additional information about the claims asserted in the Actions and the terms of the proposed Settlement. You may inspect the Stipulation and its exhibits and other papers at the Clerk’s office at the Court during regular business hours. In addition, a link to the Stipulation and its exhibits and the Notice is available on the Investor Relations section of Clover’s website <https://investors.cloverhealth.com>. Inquiries about the Actions or the Settlement may be made to: Brett D. Stecker, Shuman, Glenn & Stecker, 300 Countryview Drive, Bryn Mawr, PA 19010, brett@shumanlawfirm.com, telephone: (303) 861-3003; or Timothy Brown, The Brown Law Firm, P.C., 767 Third Avenue, Suite 2501, New York, NY 10017, tbrown@thebrownlawfirm.net, telephone: (516) 922-5427.

Any Clover stockholder has a right, but is not required, to appear and to be heard at the Settlement Hearing, providing that he, she, or it is a stockholder of record or beneficial owner of Clover common stock and was a stockholder of record or beneficial owner of Clover common stock as of February 2, 2024. Any Current Clover Stockholder who satisfies this requirement may enter an appearance through counsel of such stockholder's own choosing and at such stockholder's own expense, or may appear on their own. However, no Clover stockholder shall be heard at the Settlement Hearing unless they comply with the procedures for objecting that are set forth in the Stipulation and its accompanying exhibits, including the Long-Form Notice.

As detailed in the Long-Form Notice, any objections must: (i) identify the case name and case number for the lead Tennessee Action, *Sun v. Garipalli*, Lead Case No. 3:21-cv-00311; (ii) state the objector's name, address, and telephone number, and if represented by counsel, the name, address, and telephone number of his, her, or its counsel; (iii) contain a representation as to whether the objector and/or his, her, or its counsel intends to appear at the Settlement Hearing; (iv) contain a statement of the objection(s) to any matters before the Court, the grounds for the objection(s) or the reasons for the objector's desiring to appear and be heard, as well as all documents or writings the objector desires the Court to consider, including any legal and evidentiary support; (v) if the objector has indicated that he, she, or it intends to appear at the Settlement Hearing, identify any witnesses the objector may call to testify and any exhibits the objector intends to introduce into evidence at the Settlement Hearing; and (vi) include (1) documentation sufficient to prove that the objector owned shares of Clover common stock as of the close of business on the date of execution of the Stipulation, (2) documentation sufficient to prove that the objector continues to hold shares of Clover common stock on the date of filing of the objection, and (3) a statement that the objector will continue to hold shares of Clover common stock as of the date of the Settlement Hearing. Documentation establishing ownership of Clover common stock must consist of copies of an official brokerage account statement, a screen shot of an official brokerage account, or an authorized statement from the objector's broker containing the information found in an account statement.

Any written objection(s) must be filed, together with copies of all other papers and briefs supporting the objection, with the Clerk's Office at the United States District Court for the Middle District of Tennessee at 719 Church Street, Suite 1300, Nashville, Tennessee 37203 by **no later than June 20, 2024**. Copies of the objection must also be delivered (by hand, first-class mail, or express service) to Plaintiffs' Counsel, and to Defendants' Counsel, at the addresses set forth below such that the objection is *received on or before June 20, 2024*.

[PROPOSED] JUDGMENT APPROVING SETTLEMENT OF DERIVATIVE ACTIONS

This matter came before the Court for a hearing on _____, 2024 (the “**Settlement Hearing**”), to consider, among other things: (i) whether the proposed Settlement, on the terms and conditions provided for in the Stipulation and Agreement of Settlement dated February 2, 2024 (the “**Stipulation**”) is fair, reasonable, and adequate, and should be approved by the Court; (ii) whether all Released Claims against the Released Persons should be fully and finally released, and a judgment entered dismissing the Tennessee Action with prejudice; and (iii) whether the agreed-to Fee and Expense Amount should be approved; and

WHEREAS, the Court having reviewed and considered the Stipulation, all papers filed and proceedings held herein in connection with the Settlement, all oral and written comments received regarding the Settlement, and the record in the Tennessee Action, and good cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED this ___ day of _____, 202___, that:

1. This Judgment Approving Settlement of Derivative Actions (the “**Judgment**”) incorporates by reference the definitions in the Stipulation, and, unless otherwise defined in this Judgment, all capitalized terms used in this Judgment shall have the same meaning as set forth in the Stipulation.

2. The Court has jurisdiction over the subject matter of the Tennessee Action,

including all matters necessary to effectuate the Settlement and this Judgment, and over all parties to the Tennessee Action.

3. Notice has been given to the Current Clover Stockholders pursuant to and in the manner directed by the Preliminary Approval Order; proof of compliance with the notice procedure required under the Preliminary Approval Order was filed with the Court; and a full and fair opportunity to be heard has been afforded to all Current Clover Stockholders. The form and manner of the notice provided is hereby confirmed to have been given in full compliance with each of the requirements of Federal Rule of Civil Procedure 23.1 and due process.

4. Pursuant to, and in accordance with, Rule 23.1 of the Federal Rules of Civil Procedure, this Court hereby fully and finally approves the Settlement set forth in the Stipulation and finds that the Settlement is, in all respects, fair, reasonable, and adequate to the Company and Current Clover Stockholders. The Court hereby directs the Parties to perform the terms of the Settlement as set forth in the Stipulation.

5. The Tennessee Action is hereby dismissed with prejudice. The Parties shall bear their own costs and expenses, except as otherwise expressly provided in this Judgment.

6. Without further action by anyone, and subject to paragraph 10 below, upon the Effective Date of the Settlement, Plaintiffs' Releasing Parties: (i) shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, discharged, and dismissed the Released Claims against the Released Persons; (ii) shall be deemed to have, and by operation of this Judgment shall have covenanted not to sue any Released Person with respect to any Released Claims; and (iii) shall be permanently barred and enjoined from instituting, commencing or prosecuting the Released Claims against the Released Persons except to enforce the releases and other terms

and conditions contained in the Stipulation and/or the Judgment.

7. Without further action by anyone, and subject to paragraph 10 below, upon the Effective Date of the Settlement, the Released Persons: (i) shall be deemed to have, and by operation of this Judgment, shall have, fully, finally, and forever released, relinquished and discharged each and all of Defendants' Released Persons from Defendants' Released Claims; (ii) shall be deemed to have, and by operation of this Judgment shall have, covenanted not to sue Defendants' Released Persons with respect to any of Defendants' Released Claims; and (iii) shall be permanently barred and enjoined from instituting, commencing or prosecuting Defendants' Released Claims against Defendants' Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

8. Notwithstanding paragraphs 6-7 above, nothing in this Judgment shall operate as a release or preclude: (i) claims to enforce the terms of the Stipulation and/or this Judgment; (ii) exclusively direct claims (i.e., as opposed to derivative claims) that Clover stockholders other than Plaintiffs may have in an individual capacity against Defendants; (iii) claims or causes of action of Clover against any of its current or former employees (other than current or former officers and directors), agents, or consultants arising out of any breach of an obligation, contractual or otherwise, owed to Clover or any of its affiliates; (iv) direct claims made in the Securities Action; or (v) claims any of the Plaintiffs may have as a member of the class represented in the Securities Action pursuant to any plan of allocation as may be approved by the Court.

9. Whether or not the Settlement is consummated, neither this Judgment, nor the Stipulation (including the exhibits thereto), nor the negotiations leading to the execution of the Stipulation, nor any proceedings taken pursuant to or in connection with the Stipulation, nor

approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be offered against any of the Released Persons as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Released Persons with respect to the truth of any fact alleged by Plaintiffs or the validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in the Actions, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Released Persons or in any way referred to for any other reason as against any of the Released Persons, in the Actions or in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of the Stipulation;

(b) shall be offered against any of the Defendants' Released Persons, as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Defendants' Released Persons that any of their claims are without merit, that any of the Released Persons had meritorious defenses, or with respect to any liability, negligence, fault, or wrongdoing of any kind, or in any way referred to for any other reason as against any of the Released Persons, in the Actions or in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of the Stipulation; or

(c) shall be construed against any of the Released Persons or the Defendants' Released Persons as an admission, concession, or presumption that the consideration to be given hereunder represents the consideration which could be or would have been recovered after trial; *provided, however*, that the Parties, the Released Persons, and Defendants' Released Persons and their respective counsel may refer to the Stipulation and this Judgment to effectuate

the protections from liability granted thereunder or hereunder or otherwise to enforce the terms of the Settlement.

10. The Court hereby approves the sum of \$_____ for the payment of Plaintiffs' Counsel's attorneys' fees and expenses in the Actions ("**Fee and Expense Amount**"), and finds that the Fee and Expense Amount is fair and reasonable. The Fee and Expense Amount shall be distributed in accordance with the terms of the Stipulation.

11. The Court hereby approves the service awards of \$_____ for each of the seven Plaintiffs to be paid from Plaintiffs' Counsel's Fee and Expense Amount in recognition of Plaintiffs' participation and effort in the prosecution of the Actions.

12. The effectiveness of this Judgment and the obligations of the Parties under the Settlement shall not be conditioned upon or subject to the resolution of any appeal or other matter, court order, or proceeding that relates solely to the award of attorneys' fees and litigation expenses to Plaintiffs' Counsel.

13. The Court finds that the Tennessee Action was filed, prosecuted, defended, and settled in good faith, and that during the course of the litigation, the Parties and their respective counsel at all times complied with the requirements of Rule 11 of the Federal Rules of Civil Procedure and all similar rules and laws.

14. Without affecting the finality of this Judgment in any way, the Court hereby retains continuing jurisdiction over: (i) implementation of the Settlement; and (ii) the parties to the Actions for the purpose of construing, enforcing, and administering the Stipulation and the Settlement.

15. Without further approval from the Court, the Parties are hereby authorized to agree to and adopt such amendments or modifications of the Stipulation or any exhibits attached

thereto to effectuate the Settlement that are not materially inconsistent with this Judgment. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any provisions of the Settlement.

16. If the Settlement is terminated as provided in the Stipulation or the Effective Date of the Settlement otherwise fails to occur, this Judgment shall be vacated, rendered null and void, and be of no further force and effect, except as otherwise provided by the Stipulation, and this Judgment shall be without prejudice to the rights of Plaintiffs, Defendants, and the Company, and the Parties shall each revert to their respective litigation positions in the Actions as of immediately prior to the execution of the Stipulation.

17. The Parties are hereby authorized and directed to comply with and to consummate the Settlement in accordance with its terms and provisions.

18. The Clerk is directed to enter and docket this Judgment in the Tennessee Action. The Court finds that this Judgment is a final judgment and should be entered in accordance with Rule 58 of the Federal Rules of Civil Procedure.

SO ORDERED this ____ day of _____, 2024.

**LONG-FORM NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF
STOCKHOLDER DERIVATIVE ACTIONS**

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

TO: ALL OWNERS OF THE COMMON STOCK OF CLOVER HEALTH INVESTMENTS, CORP. (“CLOVER” OR THE “COMPANY”) CURRENTLY AND AS OF THE CLOSE OF TRADING ON FEBRUARY 2, 2024 (“CURRENT CLOVER STOCKHOLDERS”).

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. THIS NOTICE RELATES TO A PROPOSED SETTLEMENT AND DISMISSAL OF SHAREHOLDER DERIVATIVE LITIGATIONS AND CONTAINS IMPORTANT INFORMATION REGARDING YOUR RIGHTS. YOUR RIGHTS MAY BE AFFECTED BY THESE LEGAL PROCEEDINGS. IF THE COURT APPROVES THE SETTLEMENT, YOU WILL BE FOREVER BARRED FROM CONTESTING THE APPROVAL OF THE PROPOSED SETTLEMENT AND FROM PURSUING THE RELEASED CLAIMS.

IF YOU HOLD CLOVER COMMON STOCK FOR THE BENEFIT OF ANOTHER, PLEASE PROMPTLY TRANSMIT THIS DOCUMENT TO SUCH BENEFICIAL OWNER.

THIS ACTION IS NOT A “CLASS ACTION.” THUS, THERE IS NO COMMON FUND UPON WHICH YOU CAN MAKE A CLAIM FOR A MONETARY PAYMENT.

YOU ARE HEREBY NOTIFIED, pursuant to an Order of the United States District Court for the Middle District of Tennessee (the “**Court**”), that a proposed settlement (“**Settlement**”) has been reached by the parties to the following shareholder derivative actions brought on behalf and for the benefit of Clover: (i) *Sun v. Garipalli*, Case No. 3:21-cv-00311 and *Luthra v. Garipalli*, Case No. 3:21-cv-00320, pending in the Court; (ii) *In re Clover Health Investments, Corp. Derivative Litigation*, Lead Case No. 1:21-cv-00191, pending in the U.S. District Court for the District of Delaware; (iii) *In re Clover Health Investments, Corp. Stockholder Derivative Litigation*, Index No. 655420/2021, pending in the Supreme Court of the State of New

York, County of New York; and (iv) *Davies v. Garipalli, et al.*, C.A. No. 2021-1016-SG, pending in the Delaware Court of Chancery (collectively, the “**Actions**”).

As explained below, a hearing will be held on July 11, 2024 at 4:00 p.m. before the Honorable Aleta A. Trauger, either in person at the United States District Court for the Middle District of Tennessee, Fred D. Thompson U.S. Courthouse and Federal Building, Courtroom 6C, 719 Church Street, Nashville, TN 37203, or by telephone or videoconference (in the discretion of the Court), to determine: (i) whether the terms of the Settlement are fair, reasonable, and adequate and should be approved; (ii) whether a final judgment should be entered; (iii) whether the Court should approve the requested attorneys' fees and reimbursement of expenses to Plaintiffs' Counsel and service awards to Plaintiffs; and (iv) such other actions as may be necessary or proper under the circumstances.¹

The terms of the Settlement are set forth in the Stipulation and Agreement of Settlement (the “Stipulation”) and summarized in this Long-Form Notice. The Stipulation was entered into as of February 2, 2024 by and among the Parties to the Actions. The Settlement provides for the Company to implement enhancements to its corporate governance as described in more detail in paragraph 53 below. Neither the Company nor Clover stockholders will receive any payment from the Settlement. If approved by the Court, the Settlement will fully resolve the Actions, including the dismissal of the Actions with prejudice.

For a more detailed statement of the matters involved in the Actions, the Settlement, and the terms discussed in this Long-Form Notice, a link to the Stipulation and exhibits thereto are available on the Investor Relations section of Clover’s website at <https://investors.cloverhealth.com>.

PLEASE NOTE: STOCKHOLDERS ARE NOT REQUIRED TO TAKE ANY ACTION IN RESPONSE TO THIS NOTICE.

WHAT IS THE PURPOSE OF THIS NOTICE?

1. The purpose of this Notice is to explain the Actions, the terms of the proposed Settlement, and how the proposed Settlement affects Clover stockholders’ legal rights.
2. The Actions are stockholder derivative suits. In a stockholder derivative suit, one or more persons or entities who are current stockholders of a corporation sue on behalf of and for the benefit of the corporation, seeking to enforce the corporation’s legal rights. In the Actions, Plaintiffs have filed suit against the Individual Defendants on behalf of and for the benefit of Clover. The Settlement will result in changes to the Company’s corporate governance, not in payments to individuals, thus obviating the need for a claims procedure.

¹ All capitalized terms not otherwise defined in this Long-Form Notice shall have the meaning provided in the Stipulation, a copy of which is being filed, together with this Long-Form Notice and other exhibits to the Stipulation, as an attachment to the Company’s 8-K dated April 4, 2024.

3. The Court has scheduled a hearing to consider the fairness, reasonableness, and adequacy of the Settlement and the requested attorneys' fees for and reimbursement of expenses to Plaintiffs' Counsel (the "**Settlement Hearing**"). See paragraphs 61-71 below for details about the Settlement Hearing, including the location, date, and time of the hearing.

WHAT IS THIS CASE ABOUT? WHAT HAS HAPPENED
SO FAR?

THE FOLLOWING DESCRIPTION OF THE ACTIONS AND THE SETTLEMENT HAS BEEN PREPARED BY COUNSEL FOR THE PARTIES. NO COURT PRESIDING OVER ANY OF THE ACTIONS HAS MADE ANY FINDINGS WITH RESPECT TO SUCH MATTERS, AND THIS NOTICE IS NOT AN EXPRESSION OR STATEMENT BY ANY COURT OF FINDINGS OF FACT.

4. The Actions assert claims for breach of fiduciary duty and related causes of action in connection with the merger of special purpose acquisition company ("**SPAC**") Social Capital Hedosophia Holdings Corp. III ("**SCH**") with Clover's predecessor, Clover Investments Corp ("**Legacy Clover**"), and related alleged post-merger conduct. Plaintiffs contend that, motivated by the prospect of unlocking gains of more than \$320 million on "Founder Shares," the Individual Defendants duped shareholders into approving a de-SPAC merger with Legacy Clover, in which SCH paid \$500 million of the \$720 million collected in SCH's initial public offering to acquire a minority stake in Clover, the merged entity, through a series of misrepresentations about the nature, value, and regulatory risks of Legacy Clover's business model. Plaintiffs contend similar misrepresentations continued to be published following the merger.²

A. The Tennessee Action

5. On April 19, 2021, plaintiff Sun filed a Verified Shareholder Derivative Complaint asserting claims for breaches of fiduciary duty, aiding and abetting breaches of fiduciary duty, unjust enrichment, abuse of control, gross mismanagement, and waste of corporate assets under Delaware law, for violations of Section 14(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), and for contribution under Sections 10(b) and 21D of the Exchange Act and Section 11(f) of the Securities Act of 1933, captioned *Sun v. Garipalli, et al.*, No. 3:21-cv-00311 (M.D. Tenn.) ("**Sun Action**").

6. On April 21, 2021, plaintiff Luthra filed a Shareholder Derivative Complaint predicated on similar allegations, captioned *Luthra v. Garipalli, et al.*, No: 3:21-cv-00320 (M.D. Tenn.) ("**Luthra Action**").

² A series of related securities class actions predicated on similar allegations were commenced in this Court and later consolidated under the caption, *Bond, et al. v. Clover Health Investments, Corp., et al.*, No. 3:21-cv-00096 (M.D. Tenn.) (the "**Securities Action**"). On October 3, 2023, the U.S. District Court for the Middle District of Tennessee approved the settlement of the Securities Action, entered judgment thereon, and ordered the case dismissed with prejudice. Securities Action, ECF Nos. 146, 147.

7. On May 7, 2021, the parties filed a stipulation and proposed order to consolidate the *Sun* Action and *Luthra* Action and to appoint The Brown Law Firm, P.C. and The Rosen Law Firm, P.A. as co-lead counsel for the Tennessee Plaintiffs (ECF No. 11), which the Court entered on May 10, 2021 (ECF No. 13).

8. On July 2, 2021, the Court entered a stipulated order staying the Tennessee Action pending a final decision on the defendants' motion to dismiss in the Securities Action (ECF No. 22). The order required the Company to produce to the Tennessee Plaintiffs any documents produced in response to another shareholder's related "'books and records' demand pursuant to Section 220 of the Delaware General Corporation Law, 8 Del. C. § 220" ("**Section 220**") or any other documents produced "to a plaintiff in a substantially similar shareholder derivative action or to plaintiffs in the [Securities Action,]" subject to "the execution of a confidentiality agreement governing [] use and disclosure[.]" *Id.* On October 11, 2021, the parties to the Tennessee Action entered into a confidentiality agreement. Shortly after the confidentiality agreement was executed, the Company provided documents that had been produced in response to a Section 220 inspection demand, which the Tennessee Plaintiffs reviewed.

9. On November 30, 2021, the Tennessee Plaintiffs filed a Verified Consolidated Shareholder Derivative Complaint leveraging the Section 220 documents and allegations in the first amended complaint filed in the Securities Action (the "**Amended Complaint**") (ECF Nos. 23, 25).

10. On June 10, 2022, the Company produced and the Tennessee Plaintiffs reviewed additional documents produced in response to a Section 220 inspection demand.

11. On March 24, 2023, following the denial of the motion to dismiss in the Securities Action, the Tennessee Plaintiffs informed the Court that the stay of the Tennessee Action had terminated, and asked the Court to set a deadline for Defendants to answer or otherwise respond to the Amended Complaint (ECF No. 27). On March 30, 2023, the parties submitted a stipulated proposed schedule, which the Court adopted on March 31, 2023 (ECF Nos. 28, 29). The order set deadlines for briefing any motion to dismiss the Amended Complaint; provided for the production of all documents and written discovery produced, and transcripts of any depositions taken, in the Securities Action; and set January 31, 2024, as the deadline for service of all interrogatories and requests for the production of documents in the Tennessee Action. *Id.*

12. On April 4, 2023, the Company produced and the Tennessee Plaintiffs thereafter reviewed additional documents that had been produced in the Securities Action.

13. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Amended Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (ECF Nos. 30-35).

B. The Delaware Federal Action

14. On February 10, 2021, plaintiff Fuhrman filed a shareholder derivative complaint in the Delaware Federal Court alleging claims for breach of fiduciary duty and waste of corporate assets under Delaware law, and for violations of sections 10(b) and 21D of the Exchange Act

against certain of the Individual Defendants, captioned *Fuhrman v. Garipalli, et al.*, No. 1:21-cv-00191-LPS (“**Fuhrman Action**”) (*Fuhrman Action*, ECF No. 1).

15. On June 10, 2021, the *Fuhrman* parties filed a stipulation and proposed order (i) staying *Fuhrman* pending a final decision on the motion to dismiss the Securities Action; (ii) appointing Gainey McKenna & Egleston (“GM&E”) interim lead counsel for plaintiff *Fuhrman*; and (iii) requiring Defendants to produce to plaintiff *Fuhrman* any documents produced to any other shareholder in response to a related Section 220 demand and any other documents produced to shareholders in related derivative actions or in the Securities Action, subject to the execution of a confidentiality agreement governing use and disclosure. (*Fuhrman Action*, ECF No. 4). The Delaware Federal Court entered the stipulated order the following day.

16. On July 21, 2021, plaintiff Wiegand filed a substantially similar shareholder derivative complaint in the Delaware Federal Court captioned, *Wiegand v. Garipalli, et al.*, No. 1:21-cv-01053-LPS (“**Wiegand Action**”).

17. On September 14, 2021, the Delaware Federal Action plaintiffs filed a stipulation and proposed order requesting, *inter alia*, that the Delaware Federal Court: (i) consolidate *Fuhrman Action* and *Wiegand Action* (forming the consolidated “**Delaware Federal Action**”); (ii) appoint GM&E and Levi & Korsinsky, LLP as co-lead counsel, and Bielli & Klauder, LLC as liaison counsel for the Delaware Federal Action plaintiffs; and (iii) stay the Delaware Federal Action (Delaware Federal Action, ECF No. 5). 21. On April 29, 2022, the parties filed a stipulation and proposed order extending the temporary stay to July 28, 2022, which the Court granted (Delaware Federal Action, ECF Nos. 9, 10).

22. On June 10, 2022, the Company produced additional Section 220 documents, which the Delaware Federal Action plaintiffs reviewed and evaluated.

23. On August 4, 2022, the parties filed a stipulation and proposed order extending the temporary stay to facilitate continued settlement negotiations, following a global mediation session attended by parties to all of the related derivative Actions (Delaware Federal Action, ECF No. 12). The Court entered an order extending the stay of the Delaware Federal Action to November 2, 2022 (Delaware Federal Action, ECF No. 13).

24. On March 30, 2023, the parties filed a notice that the stay had terminated, along with a proposed order setting deadlines for Defendants to answer or otherwise move in response to the complaint (Delaware Federal Action, ECF No. 14).

25. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation. (Delaware Federal Action, ECF Nos. 16-18).

C. The New York Action

26. On September 10, 2021, plaintiff Sankaranarayanan filed a shareholder derivative complaint in the New York Court asserting claims for breach of fiduciary duty and unjust enrichment under New York law against certain of the Individual Defendants, captioned *Sankaranarayanan v. Palihapitiya, et al.*, Index No. 655420/2021 ("**Sankaranarayanan Action**").

27. On October 15, 2021, plaintiff Sankaranarayanan filed a request for judicial intervention seeking assignment to the Commercial Division. The *Sankaranarayanan* Action was thereafter assigned to the Honorable Andrew Borrok, Commercial Division Part 53.

28. On November 18, 2021, the parties filed a stipulation and proposed order requesting that the New York Court temporarily stay proceedings to permit the parties to evaluate case management in light of developments in the related Securities, Tennessee, and Delaware Federal Actions.

29. On December 14, 2021, after negotiating the production of non-public, Board-level and related materials in response to a Section 220 demand to inspect Clover books and records, plaintiff Uvaydov filed a related shareholder derivative complaint in the New York Court, captioned *Uvaydov v. Palihapitiya, et al.*, Index No. 656978/2021 ("**Uvaydov Action**"), asserting claims for breach of fiduciary duty and related causes of action under New York law.

30. Following consultations among counsel, on February 2, 2022, the parties to the *Sankaranarayanan* Action and the *Uvaydov* Action filed a stipulation and proposed order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action and, providing for coordinated leadership among plaintiffs' counsel, acknowledging service, and temporarily staying further proceedings pending completion of consultations among the parties' counsel regarding case management and scheduling.

31. On August 19, 2022, the New York Court entered an order consolidating the *Sankaranarayanan* Action and the *Uvaydov* Action (forming the consolidated "New York Action"); appointing Robbins LLP as plaintiffs' lead counsel, the Law Offices of Thomas G. Amon as plaintiffs' liaison counsel, and establishing an executive committee consisting of Robbins LLP and Morris Kandinov LLP; and adopting the parties' service agreement.

32. The New York Court declined to stay further proceedings and instead scheduled a preliminary conference for November 16, 2022.

33. On November 3, 2022, the New York Action plaintiffs filed a Consolidated Shareholder Derivative Complaint for Breach of Fiduciary Duty and Unjust Enrichment (the “**New York Complaint**”), which supplemented the original *Sankaranarayanan* Action and *Uvaydov* Action’s complaints’ allegations leveraging the Section 220 documents secured by plaintiff Uvaydov.

34. On November 9, 2022, the New York Action plaintiffs filed a stipulation and proposed order for the production and exchange of confidential information, which the New York Court entered on November 29, 2022. Thereafter, in connection with the anticipated global mediation, the parties to the New York Action exchanged additional confidential information bearing on the merits of the claims and potential defenses to the New York Action, and related insurance matters, which ultimately included all documents produced in the related Securities Action.

35. In early November 2022, counsel for the parties to the New York Action met and conferred regarding case management and scheduling issues in anticipation of the preliminary conference then scheduled for November 16, 2022. Defendants in the New York Action requested that the New York Court adjourn the preliminary conference pending the outcome of motions for partial summary judgment in related insurance coverage litigation pending in the Chancery Court, which relief the New York Action plaintiffs did not oppose. The New York Court adjourned the preliminary conference. Thereafter, the parties participated in a status conference on November 30, 2022, following which the New York Court entered an order resetting the preliminary conference for February 28, 2023.

36. The parties met and conferred and submitted an agreed-to discovery and pre-trial schedule for the New York Court’s consideration at the preliminary conference. At the preliminary conference, the New York Court considered the parties’ proposals for sequential briefing on a series of defense motions relating to jurisdiction, venue, and pleadings challenges, and defendants committed to producing to the New York Action plaintiffs all documents and written discovery and transcripts of any depositions taken in the related Securities Action. Clover subsequently made a number of productions, which counsel for the New York Action plaintiffs reviewed and evaluated in connection with preparation of an amended consolidated complaint and settlement discussions.

37. On April 24, 2023, the New York Court entered a case management order establishing deadlines for motions to dismiss, discovery, summary judgment, and other pre-trial matters. Among other matters, the case management order required defendants in the New York Action to serve any motion to dismiss the New York Complaint by May 5, 2023, set a compliance conference for August 14, 2023, and further required the parties to file a notice of issue/certificate of trial readiness on or before July 28, 2024.

38. On May 2, 2023, May 22, 2023, and July 5, 2023, the New York Court entered stipulated orders extending defendants’ deadline to respond to the New York Complaint in order to facilitate the parties’ ongoing mediator-supervised settlement negotiations. After the Parties executed a binding memorandum of understanding setting forth the material substantive terms of an agreement in principle to settle the Actions, the New York Court entered a stipulated order continuing the compliance conference to September 29, 2023, to provide the Parties time to resolve

outstanding issues and to prepare a formal stipulation of settlement. The New York Court subsequently granted additional continuances to permit the Parties to finalize the Settlement.

D. The Delaware Chancery Action

39. On June 14, 2021, plaintiff Davies issued a Section 220 demand to inspect Clover's books and records. Following negotiations and execution of a confidentiality agreement, on September 24, 2021, the Company produced non-public, Board-level materials. After analyzing the production, Davies sought additional documents. Clover made additional materials available on October 27 and November 4, 2021.

40. On November 30, 2021, plaintiff Davies filed a shareholder derivative complaint under seal in the Chancery Court, incorporating the Section 220 documents and other confidential information.

41. Clover sought a stay pending resolution of the motion to dismiss in the Securities Action, and on January 19, 2022, the parties submitted a stipulation providing for such a stay, which was entered as the order of the court.

42. On April 29, 2022, the parties to the Delaware Chancery Action filed a stipulation to extend the temporary stay, through July 28, 2022, to permit the parties to focus their efforts on the global mediation scheduled for July 19, 2022, which the court approved on May 5, 2022.

43. On May 15, 2023, the parties filed a joint status report regarding the continuing global settlement negotiations, and a proposed schedule for briefing on defendants' motion to dismiss.

44. Thereafter, the Court entered a series of stipulated orders extending Defendants' time to move to dismiss the Consolidated Derivative Complaint to facilitate settlement negotiations and then temporarily staying proceedings to afford the Parties time to finalize an agreement in principle to settle the Actions and to prepare formal settlement documentation.

E. Settlement Negotiations

45. In July 2022, the Parties agreed to participate in an in-person global mediation session in New York City to attempt to resolve and settle the Actions (the "**First Mediation**"). The First Mediation was set for July 19, 2022 before Jed D. Melnick, Esq., an experienced JAMS ADR mediator (the "**Mediator**").

46. On July 8, 2022, counsel for the Parties commenced a series of exchanges of confidential information in anticipation of the First Mediation. Clover circulated a mediation statement addressing Plaintiffs' factual allegations and legal contentions, and outlining various pleadings challenges and substantive defenses. Plaintiff Davies submitted a mediation statement addressing the facts, legal claims and damages to the Company, and a settlement demand with monetary and non-monetary components, including proposals for corporate governance enhancements designed to prevent recurrence of the alleged wrongdoing. The Tennessee Plaintiffs and the Delaware Federal Action plaintiffs jointly submitted a settlement demand summarizing damages and proposing a settlement framework that included corporate governance enhancements

and a monetary payment to the Company. The New York Action plaintiffs submitted a settlement demand letter on July 18, 2022 summarizing the facts bearing on various theories of liability and damages, and demanding monetary compensation for the Company and corporate governance reform.

47. The First Mediation took place as scheduled on July 19, 2022. By day's end it was clear that much more work would be required to reach a settlement agreement, and the Parties agreed to schedule a second mediation session.

48. On August 1, 2022, the Parties participated in a second day-long mediation session overseen by the Mediator ("**Second Mediation**"). Progress was made, but the Parties were unable to reach agreement. The Parties agreed to continue their negotiations with the assistance of the Mediator.

49. In the months following the First and Second Mediations, the Parties continued to engage in hard fought, arm's-length settlement negotiations through e-mails and teleconferences, with the assistance of the Mediator. The negotiations regarding an appropriate remedial framework took many weeks. Once a mutually acceptable remedial framework was established, the Parties negotiated the details of the substantive consideration over the ensuing months. In the course of the negotiations, the Parties exchanged dozens of proposals and counter-proposals, carefully evaluated the implications of confidential information Clover shared with Plaintiffs' counsel regarding Clover's finances and operational performance, the available directors and officers insurance ("D&O insurance"), and developments in the related coverage litigation and Securities Action, and challenged each other's theories, allegations, and contentions of law and fact.

50. In early summer 2023, the Parties reached an agreement in principle regarding the material substantive consideration for the Settlement, and thereafter negotiated the terms of a memorandum of understanding, including, *inter alia*, release language and provisions for notice to shareholders. The Parties executed the memorandum of understanding on June 21, 2023.

51. After reaching agreement on the material substantive terms of the Settlement, the Parties, with the assistance of the Mediator, separately negotiated and reached an agreement regarding the attorneys' fees and expenses that would be payable to Plaintiffs' Counsel commensurate with the Settlement's substantial benefits, subject to the Court's approval. The Parties concurrently negotiated this Stipulation detailing the Settlement's operational terms and conditions.

52. On March 5, 2024, the Court preliminarily approved the Settlement, authorized this Notice to be provided to Current Clover Stockholders, and scheduled the Settlement Hearing to consider whether to grant final approval of the Settlement.

WHAT ARE THE TERMS OF THE SETTLEMENT?

53. In consideration of the full settlement and release of the Released Claims (defined in paragraph 56 below) against the Released Persons (defined in paragraph 56 below) and the dismissal with prejudice of the Tennessee Action, Defendants will cause the Company to adopt

the following enhancements to the Company's governance and oversight over its compliance and audit functions:

- I. The Board shall designate an independent, non-employee director as Lead Independent Director ("LID"). The LID shall, in conjunction with the Board's Nominating and Corporate Governance Committee ("the Governance Committee"), oversee adoption, implementation and compliance with the Enhancements.
- II. Board Refreshment and Independence:
 1. Clover will appoint one new independent director to the Board who qualifies as financially sophisticated under NASDAQ rules and shall be identified through a search conducted by the independent directors on the Governance Committee with the assistance of an independent search firm. The sixty-day provision above notwithstanding, Clover will make reasonable best efforts to appoint this director within one hundred twenty (120) days of the Effective Date.
 2. Clover acknowledges that the initiation and pendency of the derivative Actions was a substantial and material factor in the appointments of Dr. Carladenise Armbrister Edwards and Dr. Anna U. Loengard as independent directors in July 2022 and November 2022, respectively.
 3. The Board shall utilize the following procedures for the recruitment and addition of the new independent director:
 - A. The Governance Committee shall review the Board's current array of skills, expertise, experience, and other relevant qualities ("Skills Matrix") and identify areas for improvement and development.
 - B. The Company will post the Skills Matrix to the Investor Relations section of its website.
 - C. The Governance Committee will retain an independent corporate governance expert to receive input to identify qualities to seek in director candidates.
 - D. The Governance Committee will engage an independent search firm, to identify prospective candidates for the new independent director position in keeping with the qualities identified above.
 - E. The Governance Committee Chair will review the prospective candidates identified and work together with the independent corporate governance expert to select those candidates to be forwarded to the full Governance Committee for consideration. This review, including background information and interviews of prospective candidates, will be conducted with respect to all candidates who express their consent to being considered and to

serving as a director. No fewer than five (5) qualified director candidates will be sent to the Governance Committee for review.

- F. Once the candidates are identified by the Governance Committee Chair and considered by the full Governance Committee, the Board shall meet with the candidates and, subject to its fiduciary duties and judgment, nominate a candidate for election to the Board or, if no stockholders' meeting is scheduled in the next ninety (90) days or if the proxy statement for such meeting has already been filed with the SEC, the Board shall elect a candidate to fill any Board vacancies until such future meeting is held and the candidate can be nominated for election by stockholders. If the Board does not select one of the identified candidates, then the process set forth in this section shall be repeated until the Board elects a candidate meeting the qualifications set forth herein.
 - G. If a director put in place through this process is no longer able to serve on the Board, the process described above shall be repeated for the selection of a replacement director.
- 4. The Board will adopt a policy providing that directors may serve on not more than three (3) other public company boards.
 - 5. The Board will adopt a policy requiring that the Board's (i) Audit Committee, (ii) Talent and Compensation Committee (the "Compensation Committee"), and (iii) Governance Committee be comprised of a majority of independent directors.
 - 6. The Board will amend Section 3.5 of the Company's Corporate Governance Guidelines (amended and restated as of November 8, 2021, the "Governance Guidelines") to require that a majority of the members of the Board be independent within the meaning of NASDAQ listing standards, and, in addition, that a director will not be considered independent if the director is:
 - A. a director who is, or at any time during the past three (3) years was, employed by the Company;
 - B. a director who accepted or who has a Family Member (as defined in NASDAQ listing standards) who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three (3) years preceding the determination of independence, other than (i) compensation for Board or Board committee service; (ii) compensation paid to a Family Member who is an employee (other than an Executive Officer (as defined in the NASDAQ listing standards)) of the

Company; or (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation;

- C. a director who is a Family Member of an individual who is, or at any time during the past three (3) years was, employed by the Company as an Executive Officer;
- D. a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder (as defined in NASDAQ listing standards) or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three (3) fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than payments arising solely from investments in the Company's securities or payments under non-discretionary charitable contribution matching programs;
- E. a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three (3) years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or
- F. a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three (3) years.

An Independent Director who loses his or her independent status shall no longer be considered an independent director for the purposes hereof, and shall resign unless the Board would still be comprised of a majority of independent directors. If the Company fails to comply with the independence requirements set forth herein due to one or more vacancies of the Board, Clover shall use reasonable best efforts to regain compliance with these requirements within sixty (60) days.

Members must be representative of and familiar with all key business areas of the Company and be in an executive-level management position or an appropriate executive delegate.

XXVI. Adoption of New Recoupment Policy Consistent with NASDAQ Guidelines

1. The Company adopted a Recoupment Policy in March 2023, as set forth in Appendix E.

WHAT ARE THE PARTIES' REASONS FOR THE SETTLEMENT?

54. Plaintiffs and Plaintiffs' Counsel believe that the claims raised in the Actions have substantial merit. Plaintiffs' entry into the Stipulation is not intended to be and shall not be construed as an admission or concession concerning the relative strength or merit of the claims alleged in the Actions. Plaintiffs and Plaintiffs' Counsel recognize and acknowledge, however, the significant risk, expense, and duration of continued proceedings necessary to prosecute the derivative claims against the Individual Defendants through trial(s) and possible appeals, and uncertain outcome and the risks of further litigation, problems of proof, and the significant costs and distractions such litigation would impose on the Company. Based on Plaintiffs' Counsel's thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, which are detailed in the Stipulation, Plaintiffs' Counsel believe that the Settlement is fair, reasonable, and adequate, and confers substantial benefits upon Clover and its stockholders.

55. Defendants deny that they have committed or engaged in any wrongdoing or violation of law whatsoever. Defendants further deny each and all of the claims and contentions alleged by Plaintiffs in the Actions. The Individual Defendants have expressly denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged in the Actions. Defendants have concluded that it is desirable for the Actions to be fully and finally settled in the matter upon the terms and conditions set forth in the Stipulation, taking into account the uncertainty and risks inherent in complex litigation, the costs of defense, and the distraction of key members of management and the Board from the business of the Company. Defendants have, therefore, determined that it is in the best interests of Clover for the Actions to be settled in the manner and upon the terms and conditions set forth in the Stipulation. Defendants' entry into the Stipulation shall not be construed as or deemed to be evidence of an admission or concession by Defendants regarding any claim of fault, liability, wrongdoing, or damage whatsoever.

WHAT WILL HAPPEN IF THE SETTLEMENT IS APPROVED? WHAT CLAIMS WILL THE SETTLEMENT RELEASE?

56. If the Settlement is approved, the Parties will request that the Court enter the [Proposed] Judgment Approving Settlement of Derivative Actions (the "**Judgment**"). Pursuant to the Judgment, upon the Effective Date of the Settlement, the following releases will occur:

Release of Claims by Plaintiffs: Upon the Effective Date, the Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Claims against the Released Persons. Plaintiffs' Releasing Parties shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue any Released Person with respect to any Released Claims, and shall be permanently barred and enjoined from instituting, commencing, or prosecuting the Released

Claims against the Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

“Plaintiffs’ Releasing Parties” means: Plaintiffs, Clover, and each and every Clover stockholder, and their heirs, successors, representatives, assigns, and beneficiaries, and any Person or entity that could assert any of the Released Claims on their behalf.

“Released Claims” means: all claims or causes of action (including known and Unknown Claims), whether based on federal, state, local, or statutory or common law, in equity, or on any other law, rule, regulation, ordinance, contract, or the law of any foreign jurisdiction, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, including, but not limited to, any claims for damages, injunctive relief, interest, attorneys’ fees, expert, or consulting fees, and any and all other costs, expenses, or liabilities whatsoever, that: (i) were asserted or could have been asserted derivatively in the Actions; (ii) would have been barred by res judicata had the Actions been fully litigated to final judgment; (iii) have been, could have been, or could in the future be, asserted derivatively or by Clover directly in any forum or proceeding, against any of the Released Persons that concern, are based upon, involve, or arise out of, or relate to any of the subject matters, allegations, transactions, facts, events, occurrences, disclosures, representations, statements, omissions alleged, acts, failures to act, alleged mismanagement, misconduct, concealment, alleged misrepresentations, alleged violations of local, state or federal law, sale of stock, or other matters involved, set forth, or referred to in the complaints in the Actions; or (iv) arise out of, relate to, or concern the defense, settlement, or resolution of the Actions or the Released Claims. “Released Claims” shall not include: (i) claims to enforce the terms of the Stipulation and/or the Judgment; (ii) exclusively direct claims (i.e., as opposed to derivative claims) Clover stockholders other than Plaintiffs may have in an individual capacity against Defendants; (iii) claims or causes of action of Clover against any of its current or former employees (other than current or former officers and directors), agents, or consultants arising out of any breach of an obligation, contractual or otherwise, owed to Clover or any of its affiliates; (iv) direct claims made in the Securities Action; or (v) claims any Plaintiff may have as a member of the class represented in the Securities Action pursuant to any plan of allocation as may be approved by the Court.

“Released Persons” means: Defendants, Defendants’ Counsel and each and all of their past, present, or future family members, spouses, domestic partners, associates, affiliates, subsidiaries, parents, officers, directors, stockholders, owners, members, representatives, employees, attorneys, financial or investment advisors, consultants, underwriters, investment banks or bankers, commercial bankers, insurers, reinsurers, excess insurers, co-insurers, advisors, principals, agents, heirs, executors, trustees, estates, beneficiaries, distributees, foundations, general or limited partners or partnerships, joint ventures, personal or legal representatives, administrators, or any other Person or entity acting or purporting to act for or on behalf of any Defendant, and each of their respective predecessors, successors, and assigns.

Release of Claims by Defendants: Upon the Effective Date, the Released Persons shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished and discharged each and all of Defendants’ Released Persons from Defendants’ Released Claims. The Released Persons shall be deemed to have, and by operation of the Judgment shall have, covenanted not to sue Defendants’ Released Persons with respect to any of Defendants’

Released Claims, and shall be permanently barred and enjoined from instituting, commencing or prosecuting Defendants' Released Claims against Defendants' Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation and/or the Judgment.

"Defendants' Released Claims" means: any and all manner of claims or causes of action (including known and Unknown Claims), whether based on federal, state, local, statutory or common law, in equity, or on any other law, rule, regulation, ordinance, contract, or the law of any foreign jurisdiction, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, including, but not limited to, any claims for damages, injunctive relief, interest, attorneys' fees, expert, or consulting fees, and any and all other costs, expenses, or liabilities whatsoever, that could be asserted in any forum by any of the Released Persons against Defendants' Released Persons, arising out of, relating to, or in connection with the institution, prosecution, assertion, settlement, or resolution of the Actions or the Released Claims. "Defendants' Released Claims" shall not include claims to enforce the terms of the Stipulation and/or the Judgment.

"Defendants' Released Persons" means: Plaintiffs, Plaintiffs' Counsel, and each and all of their past, present, or future family members, spouses, domestic partners, parents, associates, affiliates, subsidiaries, officers, directors, stockholders, owners, members, representatives, employees, attorneys, financial or investment advisors, consultants, underwriters, investment banks or bankers, commercial bankers, insurers, reinsurers, excess insurers, co-insurers, advisors, principals, agents, heirs, executors, trustees, estates, beneficiaries, distributees, foundations, general or limited partners or partnerships, joint ventures, personal or legal representatives, administrators, or any other Person or entity acting or purporting to act for or on behalf of any Plaintiff or any counsel for any Plaintiff, and each of their respective predecessors, successors, and assigns, Clover, and all Clover stockholders (solely in their capacity as Clover stockholders).

57. By Order of the Court, all proceedings in the Tennessee Action, other than proceedings necessary to carry out or enforce the terms and conditions of the Stipulation, have been stayed until otherwise ordered by the Court. Also, pending final determination of whether the Settlement should be finally approved, the Court has barred and enjoined the Tennessee Plaintiffs, the Company, and any Current Clover Stockholders from commencing or prosecuting any action asserting any of the Plaintiffs' Released Claims against any of the Released Persons in any court or tribunal.

HOW WILL THE ATTORNEYS BE PAID?
--

58. After negotiating the material substantive terms of the Settlement, Plaintiffs' Counsel and counsel for Clover, with the assistance of the Mediator, separately negotiated a reasonable amount in attorney's fees and expenses to be paid to Plaintiffs' Counsel commensurate with the value of the substantial benefits conferred upon Clover and Current Clover Stockholders through the Enhancements and the risks assumed by Plaintiffs' Counsel in pursuing the Actions on a wholly contingent basis. Clover, acting by and through its Board, has agreed that Plaintiffs' Counsel are entitled to an award of reasonable attorneys' fees and expenses in the amount of \$2,500,000 (the "Fee and Expense Amount"), subject to Court approval. To date, Plaintiffs'

Counsel have neither received any payment for their services in conducting the Actions, nor have counsel been reimbursed for their out-of-pocket expenses incurred.

59. As part of the Settlement and subject to the Court's approval, Plaintiffs' Counsel may apply to the Court for service awards of up to \$3,000 for each of the seven Plaintiffs in recognition of Plaintiffs' participation and effort in the initiation, prosecution, and settlement of the Actions, which, if approved by the Court, shall be paid by Plaintiffs' Counsel out of the attorneys' fees and expenses approved by the Court.

60. Any Court-approved fee and expense award to Plaintiffs' Counsel will be paid by or on behalf of Clover. Clover stockholders are not personally liable for the payment of any award of fees or expenses to Plaintiffs' Counsel.
